THIRTY-SIX PRECINCTS FOR CITY VOTERS

Glendale Evening News Will Furnish Returns on City Balloting

The Glendale Evening News publishes herewith a list of the thirty-six polling places at which the voters in the various precincts will cast their ballots in the primary election to be held tomorrow, Tuesday, August 26. The names of the election boards in the different precincts are also given. The Glendale Evening News will furnish the election returns as rapidly as a count of the vote is made. Every precinct in the city will be covered, and as the election officials proceed with the tally frequent bulletins will be flashed to this office, showing the standing of the candidates for the various offices. Arrangements have been completed by which employees of the office of the Registrar of Voters of Los Angeles county will be on duty at the office of the Glendale city clerk, to furnish information regarding the polling places, and other election arrangements to those who require it, and this information can be had by telephoning Glendale 1300. The following list gives the number and location of the various precincts, together with the names of the election boards: City Precincts No. 1. Polling place, Grand View school, 1540 5th street. Inspector, William Malcom; judges, Simon Fairburn, Mrs. Myrtle B. Buckman; clerks, Mrs. Marion Mair, Sarah G. Wright, Josephine A. Fairfield. No. 2. Polling place, residence, 1231 Glenwood place. Inspector, James Conner; judges, Geo. A. Montgomery, Marguerite B. Botsford; clerks, Helen M. Cobb, Emma Z. Caruthers, Eva G. Dimmitt. No. 3. Polling place, residence, 450 West Palm drive; inspector, Mrs. Golden A. Dewey; judges, Mrs. Nannie M. Hutchins, Geo. F. Dewey; clerks, Myrtle Emily Biles, Lucius F. Drake, Sidney G. Simon. No. 4. Polling place, residence, 928 North Louise street; inspector, Mrs. Minnie H. Berry; judges, Cora Myers, Mrs. M. Elinor Dell; clerks, Effie M. Case, Jeanne O. Packer, Mrs. Amy Hollingsworth. No. 5. Polling place, garage, 2715 Hermosita drive; inspector, Wm. A. Hall; judges, Dorothy W. Michel, Frances D. Ebert; clerks, Joseph Kirkby, Edward C. McKee, Winifred F. Marr. No. 6. Polling place, residence, 2021 Sierra avenue; inspector, Mrs. Fannie S. McNutt; judges, Wesley F. Ross, Etta Suplee; clerks, Florence E. Kirk, Mrs. Grace R. Mercer, Hattie M. Barrett. No. 7. Polling place, real estate office, 621 North Glendale avenue; inspector, R. R. Davis; judges, Corinne M. Jones, Joseph F. Lilly, Corine, Riley Lyons, Mrs. Kate Nagel, Thomas W. Preston. No. 8. Polling place, garage, 704 North Louise street. Inspector, Ethel L. Mason. Judges, Paul C. Mason, Harry H. Parker. Clerks, Cora O. Mills, Grace B. Hooker, B. E. Scouler. No. 9. Polling place, garage, 319 North Maryland avenue. Inspector, Grant S. Learned. Judges, S. C. Kinch, James H. Ballagh. Clerks, George H. Conaught, Mrs. Belle J. Abarata, J. Rhea Baker. No. 10. Polling place, garage, 523 North Central avenue. Inspector, Oren L. Howard. Judges, John A. Cole, Ella W. Richardson. Clerks, Belle C. Frazier, Lucile D. McCarthy, James A. Trotter. No. 11. Polling place, garage, 611 North Central avenue. Inspector, C. W. Kinnam. Judges, Mrs. Bernadine Trimmer. Clerks, Sarah H. Henderson, Mrs. William Hopkins, Jr., Fannie L. Kinnam, Carrie A. Wellman. No. 12. Polling place, West Glendale School, Columbus avenue, between Doran and Milford streets. Inspector, Clara E. Hilston. Judges, Grace E. Holman, Edwin W. Cooper. Clerks, Joseph E. Henderson, Ruby A. Kalbaugh, Lillian J. Empey. No. 13. With which is consolidated.

Official List of Candidates Given For Local Voters

Many Names Presented In Judiciary Contest for Whom All May Vote

Following is the official list of candidates for various offices to be voted upon at the primaries on August 26 by voters of Glendale: Representative in Congress 9th District (Republican) Walter F. Lineberger, 3519 Pacific avenue, Long Beach. Member of the Assembly 61st District (Republican) Edward Ivens Bryant, 3348 Merced street, Los Angeles. Frank C. Weller, 1012 East Lexington Drive, Glendale. (Socialist) James O. Tow, 331 North Avenue 53, Los Angeles. Chief Justice of the Supreme Court (Short term ending January 3, 1927) Louis W. Myers, 5326 Lemon Grove avenue, Los Angeles. Associate Justice of the Supreme Court (Short term ending January 5, 1931) John W. Shenk, 1425 Laurel street, South Pasadena. Associate Justice of the District Court of Appeal (Short term ending January 7, 1935) John E. Richards, 338 South 10th street, San Jose. Associate Justice of the District Court of Appeal (Short term ending January 5, 1931) Jesse W. Curtis, 680 E street, San Bernardino. Associate Justice of the District Court of Appeal (Short term ending January 7, 1935) Second Appellate District, Division Two (full term). Lewis R. Works, 722 South (Turn to Page 15, Col. 7)

PRINCE REMAINS CLOSE TO SUITE

Does Not Mingle With Other Passengers, Disappoints Dancers on Ship

ABOARD THE LINER BERENGARIA, Aug. 25.—(By Wire)—The Prince of Wales took a vigorous run on the deck adjoining the imperial suite today and appeared to be enjoying himself immensely. The prince, instead of mingling with the other passengers, has been keeping close to his suite. He dined with a few men friends in a secluded corner of the balcony dining hall or strolls with General Trotter, a traveling companion. So far the prince has not done anything although the hundreds of young American friends on board eagerly watched for him. The prince expects to arrive at New York Friday and go to Washington the following day to have luncheon with President Coolidge.

Textbook Printed On How to Obtain Los Angeles Divorce

By MARIAN MARSHALL For Southland News Service. LOS ANGELES, Aug. 25.—Reno is no longer the divorce capital of the world. That reputation has been gained by California. Evidence of that fact—a new publication, "Divorce in California," explaining for the layman and laywoman how to get it; all about alimony, custody of children, grounds, property divisions, costs of suit and publicity hazards. It's only a matter of foot "step up, ladies and gents, pay your two-bits for information and pass through the divorce mill. The line runs on the right. Don't crowd!" And, in the meantime, divorce suits filed in Los Angeles county today nearly equal the number of civil suits. Divorce actions filed daily are nearly three-fourths as many as marriage licenses issued.

Sure Winner

"MA" FERGUSON on Saturday won the Texas run-off election for governor and becomes the Democratic candidate over Klan opposition.

Vindicates Husband's Name By Majority of 80,000 Over Robertson

FORT WORTH, Texas, Aug. 25.—Conceded the Democratic nomination for governor when her majority over Judge Felix Robertson, Klan candidate, had reached nearly 80,000 votes, Mrs. Miriam ("Ma") Ferguson was today assured of her opportunity to "vindicate" the Ferguson stigma of impeachment. Robertson's message conceding the nomination was terse and in the usual form. "I sincerely congratulate you on your victory," it read. Late figures released by the Texas election bureau representing 230 out of 253 counties with 67 complete gave the woman candidate actual majority of 78,653 votes. The totals were Ferguson, 403,060; Robertson, 324,407. Mrs. Ferguson, at her home in

BELIEVE BANDIT LEADER TRAPPED

Posses Search Canyon Near Redding for Five Men In Train Holdup

REDDING, Cal., Aug. 25.—Believed to be hiding in a canyon north of here, every police officer in Redding, together with constables and deputy sheriffs, formed a posse today to search for Roy D'Autremont, wanted as the leader of the bandits who held up a Southern Pacific passenger train in Siskiyou tunnel last October 11 and killed four. Two cars, one of which is believed to carry D'Autremont, passed through Lamoine early today, after having turned off the highway at Castle creek. The cars have not passed through Redding, and officers believe they have their man trapped if he proves to be D'Autremont, as claimed by a logger who worked with D'Autremont for five years. Five in Two Cars. Police at Dunsmuir failed to head off the cars there as they dashed through late last night, according to reports reaching the police here. The reported identification of D'Autremont, on whose head there is a large reward, caused great excitement in Northern California, where D'Autremont was hunted for months. Police believe that if the suspect proves to be the man wanted, his brothers, who are also sought in connection with the holdup, are with him. According to the reports received here, there were five men in the two cars, two in the leading car and three in the car following it.

Imbrie Murder Forces Cabinet Resignation

TEHERAN, Aug. 25.—The Persian cabinet resigned today, due, it is understood, to the recent killing of Robert Imbrie, United States vice-consul, by religious fanatics. It was reported that the resignation of the premier was accepted.

'MA' WILL BE BOSS, SAYS DAUGHTER

Mrs. Ferguson's Capabilities Quite Sufficient for Gubernatorial Job

By LLOYD LEHRBAS For International News Service. NEW YORK, Aug. 25.—"Ma" Ferguson is going to be the boss, Mrs. George S. Nalle of Austin, Texas, daughter of the woman who has just achieved the most sensational political act of the generation by defeating the Ku Klux Klan and insuring her election as the first woman to be governor of any state in the Union, promised that today. Mrs. Nalle, with her husband and small son, Ernest, are visiting in New York for a few days, resting from their labors in the campaign in which they stumped the state for "Ma."

Confidant of Husband "Mamma's victory means that she is going to be the governor of Texas in fact as well as in name," Mrs. Nalle asserted, "despite the fact that the Ku Klux Klan, in attempting to discard her, painted word pictures of her as a mere figurehead for my father, former Governor James E. Ferguson. Mamma, however, has a mind of her own, and she will be the boss, never fear. "When Daddy was governor he always talked over his problems with Mamma before reaching a decision, and now the situation will be simply reversed. Daddy will co-operate with Mamma in every possible way and give her the benefit of his years of practical experience. It will be a work of love for him because he will want her administration to go down in history as a monument to the first woman governor of any state. "Mamma has not been a super-feminist or a militant suffragette."

Mrs. Nalle continued in her thumb-nail sketch of a woman whose name will go down in history, "but she has always been keenly interested in politics because of Dad. She was not an ardent suffragette, but since women received the vote she has always voted as she sees the right. She has a mind of her own and uses it. There's nothing wishy-washy about her and she'd be the last woman in the world to be a clinging vine. "She is a home-loving, home-making woman who has always devoted her life to her husband and her children. Like most Texas women, she has a negro servant, but she can and does cook, like when there's a cake to be made for Sunday or something special. And she puts up her own preserves. "We're just pleased all over, of course, that she licked the Klan, but we expected it. My father was a good governor and was un-dermined by political trickery and the people of Texas knew it. This campaign was as much a vindication for him as against the Klan. And about the Klan—you know their campaign slogan was 'No Ma for me.' Well they are orphans now."

LATEST NEWS

TWO ARMED BANDITS GET \$20,000 FROM BANK DALLAS, Texas, Aug. 25.—Two armed unmasked bandits entered the First National bank at Mesquite, twenty miles from here today, forced President Charles Tosh into the vault and escaped with \$20,000 in cash. The robbers overlocked \$5000 in gold stored in the vault.

DIRECTORS REPORTED TO APPROVE MERGER NEW YORK, Aug. 25.—It was reported late today that directors of the Erie railroad had approved the terms offered by the Van Sweringens for their entrance into the new Nickel Plate system.

YOUNG NEW YORKERS UPSET TENNIS DOPE FOREST HILLS, N. Y., Aug. 25.—Supplying one of the biggest upsets in the history of national tennis singles tournaments, Hugh F. M. Kelleher, young New Yorker, today eliminated the veteran Norman E. Brookes of Australia in the second round of the championship now in progress here. The score was 0-6, 9-7, 6-2, 6-2. They drew first round byes.

RUTH SLAMS OUT 40TH HOME RUN OF SEASON NEW YORK, Aug. 25.—Babe Ruth slammed out his fortieth home run of the season today in the fourth inning. Uhle of the Indians suffered the circumstances.

REVEAL TWO MOONS OF PLANET

Observers In Arizona Settle Disputed Question by Photographic Proof

LOWELL OBSERVATORY, FLAGSTAFF, Ariz., Aug. 25.—Photographic proof of the existence of Mars' two moons was obtained last night, American scientists announced here today. Few scientists have been able in the past to sight the moons and this is the first time their existence has been regarded as definite. Visual views of the two Martian moons were also obtained, the four American scientists stated today. Existence of the two moons has been doubted and disputed in the past and their positive discovery was regarded as noteworthy. The past twenty-four hours, the astronomers said, have afforded some excellent opportunities for observation of the planet, which is even more clearly seen in drawing away from the earth than in its closest approach. Study Mars Closely Every minute of the time has been devoted by the observers to checking previous deductions made at this time and which are sufficient, the astronomers said, to prove that air and vegetation exist on the distant planet, sufficient to support animal life as known on the earth. Proof of animal life or any indication of its existence has not been found, it was stated. Nothing will be announced for the present regarding the planet's temperature except that it is somewhat lower than that of the earth, but considerably warmer than hitherto.

CO-OPERATION OF CLUBS PROMISED

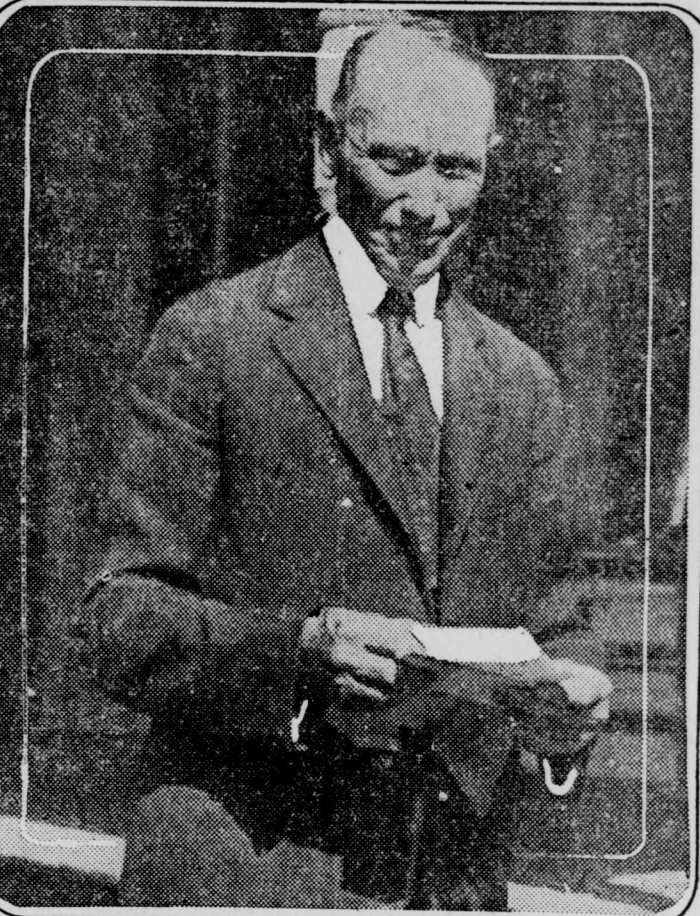

Civic Bodies Unite to Make Chamber of Commerce Clearing House

The co-operation of the various civic organizations and service clubs in the work of the Chamber of Commerce was pledged in generous measure at the luncheon that was given by the directors of the Chamber in the Alley Inn, and at which the need was stressed to make the Chamber of Commerce the clearing house for the problems that are peculiarly of a civic nature, leaving the service clubs to function freely in the fields to which they are devoting themselves. The following officials represented the various organizations at the meeting: Dr. H. R. Boyer, Optimist club; Peter Hanson, Glendale Realty board; R. E. Johnston, Exchange club; Dr. T. C. Young and A. L. Ferguson, Kiwanis club; J. Herbert Smith, Rotary club; C. J. Hatz, Glendale Merchants' association; Lyman P. Clark, Glendale Motor Car Dealers.

The President's Dad!

JOHN COOLIDGE is an older, larger and sterner edition of his illustrious son, says correspondent with the presidential party at Plymouth, N. H.

Home Folks Think of Chief Executive as 'Colonel John's' Boy and 'Down on the Farm' They're Contented to Let It Be That Way

By JOHN T. LEWING, JR. Central Press Association Staff Correspondent

PLYMOUTH, N. H., Aug. 25.—Calvin Coolidge is the president of the United States, but in Plymouth, N. H., there is tendency among the native folk to think of him simply as John Coolidge's boy. I know that the president, who no doubt is aware of this tendency, does not look upon it as an impairment of the presidential dignity. The homefolk know all about Colonel John and his stern, steadfast qualities and traits, but his son Calvin is to them a less distinct character. He has been away lawvying, and in politics. So when he comes home he is just John Coolidge's boy. Colonel John C. Coolidge is a larger, older edition of the president. At 79 he is strong and healthy, and has more color in his face than his distinguished son. Also he is slightly taller. Father Sterner Appearing The president is famed as a man of few words. His stern, calm main creates the impression that he is devoid of humor which, I can assure you, he is not. His father is even sterner looking than the president, but folks here describe him as friendly, even jovial, and full of the "milk of human kindness."

When he was in Washington the newspaper men tried to get him to talk for an interview, but he confined his remarks to "yes" and "no." He made it clear that he would prefer to be considered father of Calvin Coolidge, than father of the president of the United States. Up here it isn't much easier to get him to talk. Persons close to the president's father assert he does a great deal of clear, clean New England thinking, but it is a difficult task to get him to say much. He was on the staff of one of the governors of his state and has held other public offices. He was made commissioner about twenty years ago.

Third Raid on Tavern Nets Gin and Whiskey

For the third time within as many months, the Glendale Tavern at 1120 South San Fernando Road, was raided early Sunday morning by a dry squad. This time it was the federal prohibition officers who conducted the raid, assisted by a detail from the Glendale police department, under the supervision of Chief John D. Fraser. The dry agents swooped down on the place at 1 o'clock, confiscated a coupe outside the rear entrance with a cargo of fifteen quarts of gin in ballast, unearthed a gunysack in the back yard containing twelve quarts of whiskey, and caught one man inside the Tavern with a pint of whiskey on his person. The man was arrested and taken to Los Angeles. The car and the liquor were temporarily consigned to the custody of the Glendale police department, to be delivered on request.

LOCATELLI'S CREW SAFE ON BOARD RICHMOND

Americans Make Ready for Hop to Labrador Tuesday, Says Wireless Report

ON BOARD U. S. CRUISER RICHMOND, Aug. 25.—(By Wireless)—Lieutenant Tony Locatelli, Italian air ace, who had been missing since last Thursday when he became lost while accompanying the American round the world flyers from Iceland to Greenland, is safe on board this ship today. He was picked up 125 miles east of Cape Farewell at 11:35 o'clock Sunday morning after drifting helpless 100 miles in his disabled seaplane. Locatelli and his three companions—a pilot and two mechanics—are not injured, but are suffering keenly from fatigue. Their plane was forced down late Thursday by motor trouble as they were nearing the Greenland coast in the vicinity of Cape Farewell. The mechanics attempted to get the motor in working order, but the machine was unable to rise again. It was caught by a strong current, which carried it to sea. Drifted 86 Hours Locatelli and his companions had food and fresh water on board, but they feared their plane might be wrecked by a North Atlantic storm before help could arrive from the American patrol squadron. They were weak from their long vigil and from the tenacity of eighty-six hours' drifting in the sea when the Richmond was sighted. The Italian plane was destroyed upon orders from Locatelli. Americans Make Ready Lieutenant Lowell Smith and Lieutenant Erik Nelson, United States army world flyers, made final preparations today for their flight to Labrador, when they will again come in contact with the North American continent after an absence of nearly five months. Lieutenants Smith and Nelson arrived at Iqviut, Greenland, from Frederiksdal at 4:09 o'clock Sunday afternoon, Greenwich meridian time, after taking two hours and nineteen minutes for the 125-mile hop.

MCCOY'S LAWYERS HALT PLEA TODAY

Attack Indictment for Not Mentioning Mrs. Thomas; Kid's Mother Dying

LOS ANGELES, Aug. 25.—Attorneys for "Kid" McCoy today blocked taking of the former pugilist's plea to indictments charging him with murdering his sweetheart, Mrs. Teresa Mora, shooting three other persons and robbing four others. The lawyers protested that the name of Mrs. Jennie Thomas, McCoy's sister, had not been included in the list of witnesses before the grand jury returning the indictments and asked the alleged family indictment be set aside. McCoy's arraignment was then continued until Thursday, when the question raised by his lawyers will be ruled upon. Mrs. Selby Near Death Deputy sheriffs were expecting to receive an order from the court directing them to take Selby (Kid McCoy) under heavy guard to the home of his mother, Mrs. Mary E. Selby, who lies stricken, at the point of death, as the result of her son's arrest. His greatest desire is to see his mother before she dies. PATROLMAN KILLED LOS ANGELES, Aug. 25.—Patrolman J. T. Carter died here today from injuries received when an automobile, in which he was following a speed car, turned turtle.

COUNCIL PASSES \$1.11 TAX MEASURE

Engineer and Clerk Added To Building Department; Order Bond Sale

The Glendale City Council this morning passed the tax ordinance introduced at the session of Tuesday, August 19, setting the tax rate at \$1.11 in the boundaries of the city as originally incorporated, and fixing rates from \$1.09 to \$1.12 in the seven districts annexed since 1910. Last year the rate was \$1.10 in the original district, and in the seven annexed districts the rate ranged from \$1.03 to \$1.11. This year's rate is based on an assessed valuation of \$47,061,355, which is an increase of \$6.4 per cent over the 1922-23 valuation of \$30,092,460, according to H. C. Saulsberry, city comptroller. In dollars and cents this increase totals \$16,968,895, representing one of the most phenomenal increases in assessed valuation ever recorded by an American municipality, as Mr. Saulsberry stated in an exclusive interview appearing in The Glendale Evening News of Tuesday, August 19. Approve Annexation The City Council this morning passed an ordinance approving the annexation of the Mountain street district. The amended salary ordinance, providing for the services of a structural engineer and another clerk in the building department, was passed. The council authorized Ray L. Morrow, city attorney, to represent the city of Glendale in the forthcoming action in the Superior court, wherein the Verdugo Canyon Water company and the city of Glendale are plaintiffs, and William S. Sparr and H. E. Barnum, M. Walters and John Doe, defendants. A motion instructing the city clerk to advertise sale of \$652,000 worth of the \$1,600,000 sewer bonds was held up until the session of Wednesday, August 27, at the request of Councilman Asa Hall, so that Mr. Morrow might confer with the bond attorneys, to find out if an even \$640,000 worth of the bonds can be issued at this time, Councilman Hall believed. RECORD OF KEYES IN OFFICE GIVEN

Present District Attorney
Has Been Prosecutor
For Past 20 Years

Twenty years a public prosecu-
tor, Asa Keyes, district attorney,
is presenting his candidacy to the
people of Los Angeles county for
re-election at the primaries, Au-
gust 26.

Keyes served as chief deputy
district attorney for several
months before he was appointed
to the position made vacant by the
resignation of Thomas Lee Wool-
wine, district attorney. He has
occupied practically every position
in the district attorney's office
and is thoroughly familiar with
all the duties incident to success-
ful enforcement of the criminal
law.

The principal opposition to
Keyes, according to those in close
touch with the political situation,
comes from persons interested in
seeing that the laws are not en-
forced. This opposition naturally
follows when a public official has
made enemies of the lawless ele-
ment in the course of his duty.
The so-called "underworld" is
working strenuously to defeat
Keyes and many of those who
gain their living from their busi-
ness or professional association
with criminals are no less eager
to defeat the district attorney.

Record in Office

Because of his unquestioned
character and exceptional record
of public service there is little
open opposition to Keyes' candi-
dacy. But under cover, the wolves
of crime have gathered and even
now are snapping and snarling
covertly at the heels of Asa
Keyes, whose only platform before
the people is to continue the re-
cord of high efficiency which has
marked his incumbency.

Here is what Keyes has done:
Prosecuted successfully more
murderers, robbers, burglars,
bunco men, violators of the moral
law and general crooks and crim-
inals than any district attorney in
the history of the county.

Completely reorganized the dis-
trict attorney's office on a mod-
ern basis of efficiency and up-to-
date executive methods.

Stopped the abuse of charge-
filing privileges by persons desir-
ing the district attorney to act as
their collection agency and by
those using the machinery of the
law to settle private grudges.

Established co-operation be-
tween the district attorney's of-
fice and other offices, particularly
the sheriff's, in regard to home-
icide and manslaughter cases.

Keyes was born at Wilmington,
Cal., in 1877. His father, Charles
Keyes, and his grandfather, George
Keyes, were lawyers and judges
before him, and his great-
grandfather, Asa, was a probate
judge in Vermont. Keyes is mar-
ried. His two daughters attend the
Southern Branch of the University
of California.

He is a graduate of the Los
Angeles High school and the Uni-
versity of Southern California,
and studied law in the office of
Ex-Senator Frank P. Flint. He
was admitted to the bar in 1899
and practiced law privately for
four years. He was appointed a
deputy district attorney in 1903
by John D. Fredericks, then dis-
trict attorney. When he first con-
ducted hearings in the county ju-
stice courts he made trips in a
horse and buggy.

Later, Keyes became "star"
prosecutor and handled the most
important cases under two district
attorneys. Men who associated
with him, now judges and leaders
at the local bar, regard him as
the fairest and most capable pro-
secutor that ever held office in this
county.

Those graduating were Mr. and
Mrs. C. B. Towler, Mr. and Mrs.
Chaney, Mr. and Mrs. Place, Mr.
and Mrs. Englehard, Mrs. Ross
Green, Mrs. Lucas, Mrs. Mary
Hupp, Mrs. Grace Rogers, Mrs. Ida

TRY DOUBLE SLAYING

SAN FRANCISCO, Aug. 25.—
Paula Renedez and Nanines Ra-
mos are seriously injured and may
die, following what police claim
was an attempt by the latter to
kill the woman and then commit
suicide when she told him she was
going to leave him for another
man today. The couple had been
living together as man and wife,
police say.

CRUISER IN PERSIA

WASHINGTON, Aug. 25.—The
United States cruiser Trenton,
sent to Bushire, Persia, to receive
the body of the murdered Ameri-
can vice-consul, Robert Imbrie, ar-
rived at Bushire at 8 a. m. today,
according to a despatch to the
navy department.

LONELY MAN SUICIDE

LOS ANGELES, Aug. 25.—
James F. Hayden, dead here to-
day, killed himself because of
loneliness for his wife, police said.
Mrs. Hayden, returning from a
visit in San Francisco, found her
husband's body in their home
here.

POLITICAL ANNOUNCEMENTS

How Much of Your Money Is Invested in Mortgages?

Did it ever occur to you that the truly wise
investors are those who put their money in
good mortgages?

Do you realize that big profit return is pos-
sible through the purchase of carefully se-
lected trust deeds?

How many times have you wished that it
were possible for you to finance and build a
large number of modest and inexpensive
homes for quick turn-over and quick profit?

Royalties Investment Company offers you the
opportunity to do all of these things, irre-
spective of the amount of money you may
have to invest.

Passenger Revenues Gain In Six Months

CHICAGO, Aug. 25.—Passenger
revenues of Class 1 railways were
nearly \$1,000,000 more during

the first half of this year than
during the corresponding period a
year ago, the western railways
committee on public relations re-
ported. There were 1,513,000
fewer passengers carried, the
added revenues coming from
longer hauls.

Why ASA KEYES Will Be Elected District Attorney

Attorneys, Business Men and Ministers of Los Angeles County Endorse Keyes for District Attorney

ASA KEYES' QUALIFICATIONS—

47 years old.
25 years of law practice.

20 years as public prosecutor in Dis-
trict attorney's office.

Successfully held for two years the
trying position of District Attorney.

Here Is What He Has Done

Prosecuted more murderers, robbers, crooks
than any other District Attorney.
Completely reorganized District Attorney's
office on more efficient basis.
Put a halt to use of District Attorney's office
as private collection agency to satisfy
grudges, saving thousands of dollars.
Effectuated a closer co-operation between Dis-
trict Attorney's office and county civil
service commission, the sheriff's office and
police departments of various cities and
towns in county.

Created a much needed homicide department.
Born at Wilmington, Calif., in 1887, from a
family of lawyers and judges.
Married, with two daughters in college.
Admitted to bar in 1899 and engaged in
private practice four years.
Appointed a deputy in 1903 by Capt. John D.
Fredericks, then District Attorney, and
became the "star" prosecutor.
Won the name of the fairest, most capable
prosecutor ever holding office.

HIGH SCHOOL PREPARES FOR OPENING SEPTEMBER 8

SITE IS CHOSEN FOR PEACE CITY

Wm. S. Sparr Sells 3,075 Acres Near Riverside for Society's Project

Selection of a site for the "World's Peace City" is announced by Lionel Sterling of San Francisco, who stated that the location of the proposed city would be on Sparland in the West Riverside section, in an address before the Riverside Chamber of Commerce.

The World's Peace Society, Sterling said, had taken over 3075 acres of the Sparr interests and plans to erect in the center of the tract a peace temple to cost \$2,500,000 as the first building to be erected. Three San Francisco philanthropists are interested in the plan and have already expended \$150,000, Sterling declared.

William S. Sparr, the owner of Sparland, was also the owner of Sparland. No information regarding the price of the 3075 acres is made public.

In the plans to foster the World's Peace idea a \$50,000 radio broadcasting station is to be built and motion picture studios will produce pictures that will stress the peace theme. Golf links and other recreational outlets for the residents of the Peace City will also be provided. The project will be financed by donations, memberships and by the sale of the lands, Sterling stated.

Shortage of Water in Valley to Be Relieved

Chief Engineer Mulholland of the water department of Los Angeles has issued orders for the release of 3000 acre feet of water into the San Fernando valley for the relief of alfalfa growers, following the appeal of the farmers who reported their crops would be ruined unless they could obtain water soon. This water, according to the farmers in the valley, will assure a fair crop of alfalfa, which would otherwise have been lost on account of the drought.

Women Will Organize Club for La Follette

Helga Morberg Qually, secretary of the central committee of the La Follette for President club, has issued a call for a meeting to be held at noon tomorrow at 901 California building, Second street and Broadway, Los Angeles. The purpose of the meeting will be to organize a Woman's La Follette for President club.

INDEX TO CO-OPERATIVE DEPARTMENT

PAGE 6 OF THIS ISSUE OF THE EVENING NEWS

Of course when you want to buy merchandise of any kind you are anxious to patronize a Glendale dealer. When you wish to employ professional skill it is your desire to secure a local man. When repair work is needed it is to your advantage to have the work done by mechanics near home.

The object of this index column is to refer you to the CO-OPERATIVE DEPARTMENT on Page 6 of this issue, where you will find listed a large number of merchants, tradesmen and professional men who are real boosters for Glendale. While the Community Loyalty Section will appear in The Evening News one day every week, yet readers are advised to cut it out and hold it for reference for the purpose of ascertaining names and locations of business firms in Glendale.

Police Rush to Rescue 'Billy' Old Horse Strays Away From Joyce Home He's Held at Oil Station for \$5 Board Bill

When the call came in to police headquarters Saturday night, from Mrs. Jane M. Joyce of 210 South Columbus avenue, that a member of her family was being held for ransom at a filling station on the corner of West Broadway and San Fernando road, excitement prevailed—until it was learned that the "member of the family" was her old horse, "Billy."

The proprietor of the filling station, she said, requested \$5 to release the animal to her. Detectives were assigned and speedily uncovered the quite harmless facts, to wit: William Deer, city poundmaster, had found Billy wandering about the streets and vacant lots, and had prevailed upon Wallace Strehlein, who runs this filling station, to take care of him until the owner could be located, with the assurance that said owner would undoubtedly reward him for his trouble.

The "ransom" demanded by Mr. Strehlein, the detectives learned, was \$2.50 for a bale of hay and \$2.50 for accommodations. It is reported a compromise has been effected.

Playground Outing Program Is Prepared

Plans are being completed for the field meet and picnic Friday afternoon at Rossmore park of the Glendale summer playground, according to R. Ernest Tucker, superintendent of recreation for the city of Glendale.

It is to be a gala event and parents of the kiddies are invited to participate and bring picnic lunches. Leaving Glendale at 2 o'clock the children will journey to the park to enjoy races and various other sports. Lunch will be eaten at 5:30 o'clock.

Mr. Tucker asks that all Glendaleans who can furnish transportation for the children, to be on hand at 2 o'clock Friday afternoon.

Playground leaders are to meet Tuesday noon to make final plans for the event.

Symphony Orchestra Members Are Guests

The Glendale Community Symphony orchestra entertained last night at the Oakmont Country club. J. Arthur Myers, director, and his musicians were accorded a most gratifying reception, being entertained at dinner by the club before the concert.

A large crowd enjoyed the orchestral numbers, the violin solos by Adolph Lowinsky, and vocal solos by Mrs. George Leaton.

In order that boards may be matched, European lumber firms ship them unedged and in log form.

STUDENT GIVES STUDIO RECITAL

Mrs. W. C. Hunter Presents Varied Selections at Emerson School

Mrs. William C. Hunter of 113 1/2 South Orange street, who has just completed a term as student of the professional department of the Emerson School of Self-Expression, entertained her friends Saturday night at a pleasing recital at the studio, 730 South Glendale avenue.

Assisting on the program were Miss Mary Margaret Davies of Pasadena, reader, also a student of the school, and Charles A. Comfort, vocalist, of 201 South Central avenue, Glendale.

A miscellaneous group of readings by Mrs. Hunter included the following varied numbers: "It Makes a Fellow Hungry" (Chicago Tribune); "Hans and Fritz" (Adams); "That Terrible Tommy" (Bittney); "Apparitions" (Browning). Especially entertaining were dialect numbers in a costume group: "Mammy Liza" and "Husbands Is Husbands" by Parker, and "Little Brown Baby" by Dunbar.

Costume Group
Miss Davies also gave a costume group of varied numbers, "Algebra and Class Parties" (Bittney); "In Imminent Peril" (Griffith); and "Breaking the News Gently" (Bittney), and a miscellaneous group, interpreting both humor and pathos, including the following: "Johnny Wants a Gun" (Bittney); "At Breakfast" and "When Pa Comes Home" (Guest); "The Cremation of Sam McGee" (Seymour).

A feature of the program was vocal selections by Chas. A. Comfort, tenor; "Birth of the Morn" (Leoni) (Words by Paul Laurence Dunbar); "All For You" (Bertand Brown), and for encore, "O Sole Mio," in Italian.

URGES WOMEN TO VOTE IN PRIMARY

Mrs. Chas. H. Toll Pleads With Club Members to Cast Ballots

Urging California women of the Los Angeles District, California Federation of Women's clubs to go to the polls tomorrow, Mrs. Charles H. Toll of Glendale, district president, says in a message to the various club presidents:

"Will you vote? The primaries will be conducted on the twenty-sixth. Are you trying to get your women out to the polls? A recent report of the 1920 presidential voting record shows the following startling and by no means creditable showing for California. Votes cast, 943,463; persons eligible to vote, 1,828,247; persons not voting, 984,784. Fewer than half who should have voted went to the polls! Delaware and Indiana which stood highest sent 76 per cent to the polls. In the Los Angeles city election in May, 59 per cent of the total registration voted. This is said to be the best record ever made in Los Angeles."

Mrs. Toll puts a question mark after "best" and adds, "However, it is a hopeful sign."

Glendale Club Women Lauded by President

Glendale's Tuesday Afternoon and Thursday Afternoon clubs have both received special mention from Mrs. Charles H. Toll, president of the Los Angeles District, California Federation of Women's clubs, in a news letter she has just written to the various clubs in her jurisdiction.

In mentioning club achievements Mrs. Toll says, among other things:

"The erstwhile chairman of the ways and means of the Tuesday Afternoon club of Glendale, now president, Mrs. Montgomery, reported \$8521 as raised by her committee last year. And they entertained the district convention, too!"

"The Thursday Afternoon club of Glendale conducted a highly successful carnival in July."

Dr. Trueman to Speak To Graduating Class

Formal graduation exercises of the 1924 graduating class from the Glendale Sanitarium and Hospital will be held at 7:30 o'clock tonight in the auditorium of the Broadway High school. The public is invited to attend.

The address of the evening will be given by Dr. A. W. Trueman, medical superintendent of the institution.

Appeal Made to Voters by Chairman Of State Committee

The following appeal is made to electors by Albert E. Boynton, chairman of the Republican state central committee:

The importance of voting at the Primary election on Tuesday cannot be too strongly urged upon the electors of California.

There is need for a revival in voting. Electors in California and elsewhere are allowing themselves to become lax in the exercise of a privilege that it cost civilization centuries of effort and an untold toll of life to gain.

There is only one kind of Good Citizenship, and that is Active Citizenship.

The one sure test of Active Citizenship is a ballot in the box on election day.

Not only vote yourself, but preach the gospel of voting to your friends.

Let us make the Primary election on Tuesday mark the beginning of a renaissance of voting in California.

Four Concerts Will End Season at Bowl

Every music lover within reach of the Hollywood Bowl is planning to attend the four last summer concerts for this season in that great outdoor "temple in the hills," where audiences are averaging 15,000 nightly, now that the season is so near its close.

Alfred Hertz has won a warm place in the hearts of all Bowl patrons by reason of his fine musicianship and his dynamic and unerring leadership.

Tuesday will have an unusually interesting program, for then Deems Taylor's "In a Looking Glass" suite, new to the west coast, will be played. This suite is full of whimsical melodies, and is patterned after the well-loved story of "Alice," by Lewis Carroll. The "Alice" verses will be read, it is announced, by Madame Nazimova before the music is played. This program was made possible by the generosity of Miss Alaine Brandsall, who paid for the extra rehearsal required, so that western music lovers might hear this exquisite work, and the Strinsky music, also.

Thursday brings three interesting young geniuses as soloists, and Friday has an all-Wagner program. On Saturday a remarkable program is offered, and afterward all Bowl patrons are invited to say farewell to Mr. Hertz, Mrs. J. J. Carter and other Bowl luminaries.

Adventists to Picnic At Brookside Tuesday

Glendale Seventh-day Adventists are to picnic tomorrow afternoon and evening in Brookside park, Pasadena. Many plans have been made for the outing by committees of the Glendale church, and a splendid time is assured young and old.

It is planned that a procession of automobiles will leave the church on North Isabel street and East California avenue at 1:30 o'clock tomorrow afternoon. Transportation will be furnished for those not having automobiles.

Officers of the Sabbath school will furnish entertainment suitable to each division of the school.

Those attending have been asked to bring picnic lunches and table service. Special music is being arranged for the supper hour.

New Officials Named By State Directors

A new vice-president and four new directors were elected at the quarterly meeting of the California Real Estate association held in Long Beach. Director Benj. F. Wright, mayor of Monterey, was elected vice-president to fill the unexpired term of Emile E. Kahn, San Francisco, whose resignation after three years of faithful service was necessitated by illness in his family. In accepting the resignation of Mr. Kahn, the board of directors adopted a resolution highly commending him for the cause of the realtor in California. H. F. Metcalf, Los Angeles; W. J. Elliott, Anaheim; George S. Gould, Salinas, and J. R. Woodward, South Pasadena, were the new directors elected.

Elks Will Ballot on Applicants Tonight

Glendale Elks' meeting tonight in the clubhouse on East Colorado street will consider routine business affairs, it is announced. During the meeting there will be balloting on applicants for membership.

A bill to limit the giving of donations and subscriptions by members of Parliament has been introduced in England.

GRADUATES PLAN ALUMNI MEETING

Reunion to Be Held In New Sanitarium Building Tomorrow Night

Graduates of the Glendale Sanitarium and Hospital of past years are to return tomorrow night to join members of the faculty and the 1924 class at the first annual alumni banquet and meeting ever held in the new sanitarium building.

Miss Veda Marsh, instructor of nurses at the local institution, is president of the alumni association, and she has made elaborate plans for the return of the old "grads." Reservations for 125 have been made for the dinner, which will be served at 8 o'clock.

List of Speakers
Dr. W. J. Johnson is to serve as toastmaster during the after dinner hour. He will speak on "The Alumni Association, Its Aims." Later he will introduce as speakers, Dr. A. W. Truman, medical superintendent, whose subject will be "Relation of the Nurse to the Message"; Dr. H. G. Westphal, chief surgeon, who will speak on "The Ideal Nurse"; Jack Elvin, recently from South America, who will speak on "The Nurse in the Foreign Field"; Mrs. Trautwein of National City, on "The Nurse in the Home."

Miss Marsh will give the address of welcome, and Miss Leone Cadwallader, president of the 1924 class, will respond. There will be vocal music by Mrs. Clarence Spaulding, Misses Leta and Leona Fisher, James Moore and Mrs. Nelson. Concluding the evening will be a business meeting and election of officers for the coming year.

Van Etten Endorsed By Bar Association

Among the organizations that have endorsed the candidacy of Attorney Claire T. Van Etten of Pasadena, candidate for the full term as judge of the Superior court of Los Angeles county, are the Glendale and Pasadena Bar associations, composed of lawyers who have been associated with the candidate over a period of years, and who are acquainted with his qualifications for the position he seeks.

Attorney Van Etten has been practicing law in the courts of Los Angeles county since his admission to the bar in 1912, following his graduation from the University of Southern California in that year with the degree of LL.B., and he has also held the position of professor of law at his alma mater since 1917, specializing on the subjects of community property, real property, mining law and torts.

From 1910 to 1923 he was a resident of Glendale, having married a daughter of Mr. and Mrs. David Black, 250 Kenneth road, and having been a member of the Glendale Presbyterian church.

2050 EXPECTED TO ENROLL; EVERYTHING IN READINESS

Vice Principal A. L. Ferguson Tells Plans For Receiving Students; Offices Will Be Open Week in Advance to Solve Problems

The fall term of the Glendale Union High school will open Monday, September 8, with an enrollment of 2050 students and a faculty of 115 teachers, announces A. L. Ferguson, vice-principal. So completely has every detail of the preliminary work been outlined that when that large student body reports at 8 o'clock in the morning, each boy and girl will receive a program filled out in full, he states, while the teachers will receive accurate class lists of their students.

The perfection of this plan marks the result of several years' work, according to Mr. Ferguson, and will eliminate the confusion that has characterized the opening day of high school in previous years. On the program given each student will be listed the total number of credits accumulated, determining his or her grade, and roll rooms and lockers will also be assigned, with the result that the first day's classes will proceed smoothly, books being given out and lessons outlined for the following day.

Offices To Be Open
All students who were enrolled last year and made out their programs in June need not report until 8 o'clock Monday, September 8, Mr. Ferguson states. This applies also to students entering from the grammar schools, who made out last spring a list of the subjects they intended to pursue in high school. For the benefit of those who do not fall in either of these classes, the Broadway High school office will be open from 9 o'clock in the morning until 3:30 o'clock in the afternoon, Monday, September 1, to Friday, September 5.

The ruling made by the Board of Education, concerning enrollment of students from outside the district, is that all students who were enrolled in the Glendale Union High school last year may be permitted to return, according to Mr. Ferguson, but that none not in attendance last year will be permitted to enroll. Students entering from other high schools should bring with them a certificate to show that they have completed the eighth grade work. Students who have not made out their programs or students who are entering the ninth grade and did not make out their list of subjects should come to the Broadway High school the week preceding the opening of school and have their program made out, he states, or they will not be permitted to attend classes the opening day and will be greatly handicapped.

Examinations Arranged
Students who wish to take examinations on summer work should call at the high school the week preceding the opening and make arrangements with the head of the department. Unless a special time is arranged for, Mr. Ferguson states, they may report for examination Friday, September 5, at 1 o'clock in the afternoon.

Scottish Clans Will Gather at Eagle Rock

Members of the Order of Scottish Clans will hold their annual picnic and highland games at Eagle Rock park, Los Angeles, on Labor Day, according to Oscar Ewing, of Clan Cameron.

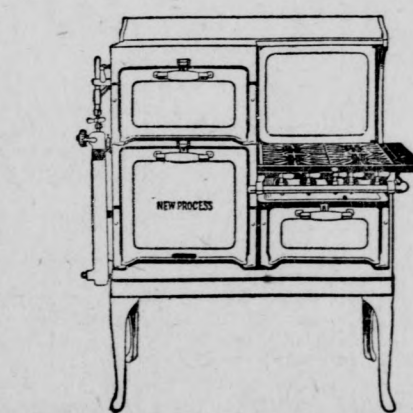

A program of sports, field events, highland dancing and bagpipe contests will be staged, starting at 10 o'clock. All Scots are invited, Mr. Ewing said.

ARCHAEOLOGY INTERESTING

The study of prehistoric peoples, animals and conditions is intensely interesting. Students of archaeology are constantly finding signs of prehistoric life that add to the knowledge they have of primitive people and either confirm or refute theories they have held.

Just recently important finds have been made in the Ozark mountains where mummies, implements and weapons of "Bluff Dwellers" indicate that three separate and distinct peoples had inhabited that region during periods of perhaps hundreds of years apart, and it is contended that some of the mummies found there are as old as that of King Tut-Ankh-Amen.

When some months ago explorers in the Gobi desert of Asia found dinosaur eggs and embryo dinosaurs in various stages of development there was great interest everywhere in the find, for it was of quite some significance to scientists.

Important discoveries of the bones of prehistoric animals preserved in oil pits were made in this vicinity some years ago, and the skeletons of these long extinct beasts still attract the wondering and the fascinated crowds to the Los Angeles county museum where they are on display.

H. G. Wells writes glibly of the "Record of the Rocks," of the development of vegetable and animal life on the earth, of the Neanderthal man, of Neolithic man, and so on, and one must question how he can be so sure of himself in regard to events that took place so long before the birth of history.

We all have more or less of a reverence for age. We revere the redwoods of California because scientists tell us they were growing at the time Christ was born. The very mystery of the long-dead past intrigues us. And when something like a redwood tree or a primitive tool or weapon or article of dress bridges the distance for us we cannot fail to be interested. It was quite significant to note, during the time of the opening of King Tut's tomb that many people who take but little interest in the events of the day read the newspaper accounts of that event avidly.

It is interesting to look at mummies and prehistoric skeletons and relics and try to bridge the eons that lie between us and the time when they flourished. But with the most of us a little of this prehistoric stuff goes a long way. We are glad to breathe the fresh air again after a whiff of this musty, age-old atmosphere, whether we find it in a museum or a book. We are glad to mingle with living beings again after looking upon or contemplating life that has long since ceased.

Speculating as to the age in which a primitive implement was in use is interesting and, in a way, instructive. But studying human nature and making plans to better the human race is more interesting and more useful to the world.

TRAFFIC LAWS

"The United States Senate has investigated motor traffic conditions in the District of Columbia and has made a lot of recommendations, many of which might well be adopted for the entire country," says the editor of Gas in Collier's Weekly. "Here's one of them. Are you in favor of it? There should be no speed limit fixed or attempted to be enforced, but there should be a very rigid enforcement of the reckless driving regulation (reckless driving is interpreted as driving in such a fashion as to endanger the lives or property of others)."

Gas likewise comments as follows: "Everybody has been blaming the poor old eighteenth amendment for the current disrespect for law. It's our hunch, however, that some other laws have as much to do with it as anything—especially the automobile laws. Nobody has ever felt deeply disgraced by being arrested for speeding or violating traffic rules. Over 200,000 people a year are arrested or summoned in this country for auto violations—50,000 a year in New York alone. When the stigma of arrest is removed wholesale, the law is bound to lose some of its dignity and deterrent effects."

WILL GOLF REPLACE BASEBALL?

The boys of today are said to be deserting the ball lot for the golf course and aspiring to championship on the green rather than to the big leagues. Some are wondering what is going to become of the national game.

The deflection is but natural. Nearly every city and village in the country boasts of a golf course, and boys are attracted thither by the money to be made by caddying for the players. Being imitative and quick to learn, they soon master the game and are able to show the elderly club member a thing or two about golf. What one boy is doing others must do, so the interest in golf among those who formerly frequented the baseball lot was to have been expected. Gene Sarazen is only one example of a caddy who became a professional and a champion and boys everywhere dream of following in his footsteps.

Baseball has been as sacred in America heretofore as Plymouth Rock. If the time ever comes when American boyhood deserts the American game entirely the millennium will be here.

ADVERTISING MAKES BUYING EASY

The average buyer never stops to think that advertising has made buying safer and easier for him. A cheap or worthless article cannot stand the light of publicity, and the manufacturer cannot afford to advertise anything that is inferior. And the buyer knows that he cannot go wrong in purchasing articles that are nationally advertised, even though he doesn't make the effort to figure out the why and the wherefore. It is unnecessary for him to take the time to investigate and inquire about the merits of the advertised article. If the name and trademark are well known, he feels pretty safe in purchasing.

Contrary to general belief, the advertised article is no more expensive, and often less so, than the unadvertised, not only in the sense that the best is the cheapest, and that a poor article is dear at any price, but the selling price is actually as low or lower in spite of the enormous sums that have been spent in advertising. This is because advertising increases the sales of the article to such an extent that the manufacturer can afford to reduce the profit on each sale. Where there are fewer sales, as with unadvertised goods, the profit on each must be greater.

A news item says Persians pay honor to murdered U. S. consul. The honor comes a little late.

Maybe Mars is throwing rocks at the earth to attract our attention when those meteors fall.

Angels tread where flies rush in.

THE GUIDING HAND AND THE COAL

Friendship Between the Sexes

By DR. FRANK CRANE

It is the custom to look upon friendship between men and women with suspicion.

The hard-headed wisdom of the world finds it difficult to admit that there is any such thing without the entrance of a baser motive.

At the same time there have been as many enduring friendships between men and women as there have been friendships between men and women. There is no doubt that the play of the sex instinct, in what may be called a secondary or tertiary place, is as stimulating as that of more immediate contact.

There is something in the companionship of men and women that is distinctly stimulating and creative. It is allied to, and germane to, that creative instinct which enables people to do their best work in the world.

The greatest poetry, if not the greatest prose, has been written under the inspiration of the opposite sex.

There is no doubt but that the companionship is dangerous, in a way, but all precious things are dangerous, and this should not induce us to regard with suspicion our friendships. There is something peculiarly stimulating to a man in the friendship of a woman which he does not find in that of a man.

There is such a thing as sex in ideas, and in personality and point of view, as well as more bodily functions; and there is little doubt but that each member of the race is stimulated to do the best work under the influence of the opposite sex.

Boys are better trained if they are allowed to associate freely with girls and men and acquire a smoothness of manner under the influence of women more than they do by themselves. In fact, the question of educating each sex by itself has found considerable opposition from those who are best acquainted with the fundamentals of human nature.

Whoever made the human race, male and female created He them, and it is intended for them to best develop their personalities and live out their lives by being in constant contact, one sex with the other. It is pretty well demonstrated that a life can only find its proper stimulus in the presence of the opposite sex.

It is doubtful whether a man has ever attained distinction without the presence of some of those women who are called "femmes inspiratrices" by the French, which means those women who are especially endowed with inspirational ability.

The Ravings Of a Grouch

I have had many and varied opportunities for studying people and I have found that those who do not advance in their work, whether it be the ditch-digger or the musician, may be divided into two classes, those who do not give sufficient attention to their job and those who apply themselves too diligently.

It is a self-evident fact that the one who is careless and takes little or no interest in his task will never succeed. We must give of our best in anything we undertake if we are to do justice to ourselves and to the work. How often you have seen a man forced to earn a living but lacking any interest in his occupation and making drudgery out of what could and would have been a pleasure if he could have brought anything of himself to the task.

Tied to a job that is un congenial, or that one has not tried to make agreeable by getting acquainted with it, is the greatest unhappiness I can imagine.

The class of those who give too strenuous application to their work is not so large but overattention is almost as deadly to progress as lack of attention. To get into a rut and to wear it so deeply that you can neither progress nor see out does not advance one. To shut out from your world everything but your work means that your vision will become restricted and your outlook narrow. Your work is like a painting. If you stay too close to it you cannot get the proper perspective, you cannot see it as you should. Get away from it once in a while, get the view from a distance and see how clearly the details stand out, how plain appears what was indistinct before.

I like to see anyone immersed in his work. I like a man or woman who wants to talk shop for I know such people are happy. But I always encourage my friends to have a hobby and I ride one persistently myself. Have something to take your mind off your work for a little while out of each twenty-four hours. Rest your brain, and body, so you can go back to your task renewed and refreshed.

The annual vacation is essential, too, for the worker who wishes to do his best. We usually go to new scenes at this time and we find in the change rest for body, mind and soul.

I have little respect for the one who is careless about his work, but I think the one who is over-diligent is short-sighted.

News Briefs Of Southland

By Southland News Service.

MAILS TO CANAL ZONE
SAN PEDRO, Aug. 25.—Direct postal service between here and the Panama Canal zone will go into effect immediately, according to an announcement made recently by C. P. Wright, postmaster of San Pedro. Orders received from Washington authorized the direct marine service designed to carry mail destined to the southern point and received from points west of Utah.

P. E. RECEIVES CARS
SAN PEDRO, Aug. 25.—The arrival of 450 freight cars of various types here recently is the first delivery to the Pacific Electric railway of an order placed last spring calling for 1350 cars. This order is the largest ever placed by the Pacific Electric and entails an outlay of approximately \$3,000,000. The remaining cars are scheduled to arrive at the rate of fifty per week.

STAKES HIS VICTIMS
SANTA ANA, Aug. 25.—Now comes a new complaint. The "thoughtful" barefoot burglar. Twice in the past thirty days this "gentleman" has refused to leave his victim without funds. Recently during an evening when there was no one home at the residence of Mrs. J. B. Winters, the thief entered the house, removed \$24 from a purse and carefully replaced three one-dollar bills. A few weeks prior, Mr. Winters told the police, her house had been entered, the burglar taking \$20, and leaving several small bills. Officers found numerous imprints of barefoot outside the house.

REWARD FOR POISONER
CALEXICO, Aug. 25.—Because of the continued activities of a dog poisoner here a reward of \$25 has been offered for the arrest of the culprit. The deadly drug was placed in most widely scattered places through the city.

PROFITEERS FOILED
EL CENTRO, Aug. 25.—Profiteers in Colorado river water were balked by a ruling of the Imperial Valley Irrigation board. The owners of vacant land had planned to sell water which they could get on demand, but the board declared this could not be transferred to other property without thirty days notice. And in another month the water shortage will be ended.

Michigan's Corn Crop Shows Big Decrease
DETROIT, Mich., Aug. 25.—The Michigan corn crop has been reduced 10 to 15 per cent by failure of seed to come up. This in addition to probable loss through uneven growth, due to the cold, wet spring.

Horoscope

Although the Sun in benefic aspect rules the early hours of this day, astrologers read that the planetary direction is uncertain. Neptune and Mars are both slightly adverse.

Contradictory thought currents may be strong at this time, confusing all who seek to attain clear vision on public questions, and there will be much sophistry which will have a bad effect on elections.

While this should be a fairly favorable rule under which to seek employment, it is well to avoid vocations in which mechanical ability is required.

Accidents again are forecast for warships and naval affairs will be much discussed.

Despite all the peace propaganda there are certainly signs of military activity, or, at least, a campaign for preparedness.

Ancient lore held that this date had a peculiar effect on the people who married under its stars, the old couplet reading: "Whoever wed in August, be, many changes are sure to see."

Owing to the contradictory currents supposed to be powerful during this configuration, partnerships of any sort have small chance of smoothness and harmony.

Solar currents tending to stagnate may be powerful through the entire month, but they should merely afford opportunity for an accumulation of good luck for the remainder of the year.

There is a sign read as forecasting the death of a public man who has been a leader in certain lines of thought.

Under this sway there may be a marked impulse toward betting, but it will be unlikely to those who believe they are on the sure thing side.

Election wagers may work misfortune in a quarter that will cause great surprise, the seers declare.

Persons whose birth date it is have the augury of a prosperous year. Those who are employees should benefit.

Children born on this day probably will have unusual gifts of the sort that make them successful in position of great importance. Love affairs may not be lucky.

Today's Poem

AFFAIRE D'AMOUR
One pale November day
Flying Summer paused,
They say;
And growing bolder,
O'er rosy shoulder,
Threw her lover such a glance
That Autumn's heart began to dance
(O happy lover!)

A leafless peach tree bold
Thought for him she smiled,
I'm told;
And stirred by love,
His sleeping sap did move,
Decking each naked branch with green
To show her that her look was seen!
(Alas, poor lover!)

But Summer, laughing, fled,
Nor knew he loved her!
'Tis said
The peach tree sighed,
And soon he gladly died;
And Autumn, weary of the chase,
Came on at Winter's sober pace.
(O careless lover!)

—Margaret Deland.

Monsieur—"Why do you want that?"

Madame—"So that you will be sorry I died."—L'Illustration (Paris).

Who's Who

CAMILLE FLAMMARION
Interest is drawn to Camille Flammarion, author of "Dreams of an Astronomer," which contains an account of a trip to Mars, because that planet travels closer to the earth this year than it ever will approach in the lifetime of any living person.

Flammarion entered Paris observatory as astronomer in training in 1858 at the age of 16. Since then he has devoted himself entirely to astronomy. He founded a monthly review, L'Astronomie, the observatory at Juvisy and the Astronomical Society of France. Among his works: Marvels of the Heavens, The Atmosphere, Urania, Omega, The Last Days of the World, Astronomy for Amateurs. For 53 years he has never taken a penny of author's right for his work. Annuaire Astronomique, published annually. Out of sheer admiration for his selfless devotion, to his studies, one M. Meret provided him with a country estate, "La Cour de France," upon which M. Flammarion erected the observatory of Juvisy, and where he to this day is fascinated by the study of the planets—in particular, Mars.

Glendale Nimrods Plan Northern Trips

Territory in southern counties is not closed to hunting as yet, according to word received by Cornwell & Kelly, 107 South Brand boulevard, from the state fish and game warden. All of Los Angeles county has been temporarily closed for hunting on account of fire menace, according to reports, and will probably remain closed until after a heavy rain. Most of the territory in the northern counties is open for hunting, it is said.

The dove season will open September 1 all over the state and hunters will be permitted to shoot dove in open territory until October 31. The deer season in this vicinity and southern counties will open September 16. Deer season in inland counties of the north will open September 1, while deer can be hunted now in certain coast counties.

Many Glendale hunters are preparing for a period of dove hunting next week, according to Albert Cornwell.

'Ma' Ferguson Sure Winner Texas Race

(Continued from page 1)

Temple, today was planning a bit of seclusion for several days. Amidst a deluge of congratulatory messages and a constant ringing of the telephone, she was hardly able to give utterance to anything but "her thankfulness for the great faith that Texas has placed in Jim."

Jim, her husband, James M. Ferguson, impeached governor of 1917, had carried the brunt of her campaign throughout a month of speech-making that was characterized mainly by bitter denunciation of the Klan.

Home Above All
"My election will not distract me from my home," she said. "Not merely because I am a woman do I say this, I love home above all else. But this does not

impeach a woman's activity. "My time will be equally divided between the executive mansion and the gubernatorial suite—and I'm taking my favorite chair to Austin with me. Jim can bring his, too, but it won't be placed under my desk."

Men have given us our chance in this age and no woman should fail to grasp the opportunity—but they should remember the home is one of God's greatest creations. Opponent Backs Her
"Too many women feel that to accept interest in worldly affairs gives them a legitimate excuse for avoiding their home affiliations as much as possible. Should every woman sidestep the home for outside interests, our civilization would be back to the era of the savage."

Judge Robertson, the defeated candidate, had this to say: "Whatever animosities and strife incident to the campaign, they should be laid aside and the democracy of Texas should stand in solid phalanx behind the state and national nominees."

Merchants Will Meet Next on September 2

The next meeting of the Glendale Merchants' association will be held Tuesday, September 2, owing to Labor Day falling on Monday, it was decided at today's meeting of the association, held at the Alley Inn, 210 1/2 South Brand boulevard, H. M. Butts, president in place of C. J. Hatz, president.

The meeting of September 2 will be an open session and the Burbank credit men will be present as the special guests of the local body, it was decided.

FIRST BID MADE ON PACOIMA DAM

Plans and Specifications Are Subject to Approval of General Goethals

By C. R. SIMMONS
For Southland News Service.
LOS ANGELES, Aug. 25.—One bid has already been received for the construction of Pacoima dam, to be built at the "narrows" of Pacoima da canyon four miles north-east of San Fernando, and others are expected within the next three weeks, it was announced today by members of the county board of supervisors.

The bids for the project, which will cost more than \$1,500,000, may be filed up to and including September 29. The plans and specifications are subject to the approval of General Goethals, builder of the Panama canal.

Highest of Kind
When completed Pacoima dam will be the highest of its type in the world—375 feet. It will regulate the flow of water during flood periods and remove the flood menace from Van Nuys and the San Fernando valley. Removal of the menace will permit the opening of a new residence district of about eight square miles on the outskirts of Van Nuys now unimproved because of fall and winter floods. Construction of the dam, however, will leave about 60 summer cabins within the lake to be created.

Purchasing Flood Area
The county has already started negotiations for the purchase of the cabins and for payment of damages. The buildings will not be removed, it was said today. They will be under more than 300 feet of water when the dam is filled. The ground on which they are built is a portion of the forest reserve.

A channel will be constructed from the base of the dam through the city of Van Nuys and the present flood-menaced area to carry the run-off water from the dam.

Council Passes \$1.11 Tax Rate Ordinance

(Continued from page 1)

ing of the opinion this would be a better plan.

Hearing on Bus Route
Virgil B. Stone, city manager, presented a request from the Pacific Electric Motor Bus company, asking that Line No. 2 be re-routed, eliminating the service on East Broadway between Brand boulevard and Verdugo Road, and substituting a route from Broadway to Brand boulevard, to Colorado street, to Porter street, to Maple street, to Verdugo Road, and north on Verdugo to Broadway. The council voted to hold a public hearing on this matter at the session of Tuesday, September 2.

J. M. Boland, president of the Colorado Boulevard Improvement association, appeared before the council requesting that Marbelite ornamental street lighting standards be installed on this thoroughfare, in accordance with the expressed wish of a 75 per cent petition filed with the city clerk. Inasmuch as petitions requesting metal standards are also on file, the council voted to continue the hearing on this matter until Thursday, September 4, when Peter Diederich, superintendent of plant and production, will have completed his check on the petitions and be in a position to make a recommendation.

Patient Undergoes Surgical Operation

A major operation was performed this morning at the Glendale Sanitarium and Hospital upon Mrs. C. M. Taylor of 230 West Doran street. Margaret E. Schuck of 1112 Irving street, underwent minor surgery at the same institution.

Will Attend Meet of Southern Secretaries

Howard I. Wood, secretary of the Chamber of Commerce, will attend the regular monthly meeting of the Southern Secretaries' Association of Southern California that is to be held at Venice on Saturday August 30.

Surgeons Operate on Patient at Hospital

Mrs. Helen T. Tyler of 429 West Dryden street underwent major surgery this morning at the Glendale Research hospital. A minor operation was performed at the same institution on W. O. Richards of 104 West Broadway.

Delegate Rhoades to Represent C. C. Board

James M. Rhoades, former secretary of the Glendale Chamber of Commerce, has been asked by the directors to represent the board at the harbor inaugural luncheon that is to be held at Long Beach tomorrow night.

THREE ESCAPE DEATH

LONG BEACH, Aug. 25.—Three persons were painfully hurt and narrowly escaped death here today when an automobile in which they were riding collided with an electric train. The injured were Mr. and Mrs. A. S. Laughton and Sumner McIndoon.

TRUE LOVE NEVER DID RUN SMOOTH

Sweethearts Have Trying Times, 'Covered Wagon' Days Reveal

The course of true love ran anything but smoothly in the old pioneer days, judging from "The Covered Wagon," a James Cruze production for Paramount, which comes to the Gateway theatre tonight and Tuesday night.

Will Banion, hero of the story, is under a cloud because Sam Woodhull, who was with him in the army during the war with Mexico, accuses him to the wagon train people of theft.

The great wagon train of 1848 sets out for Oregon. Molly Wingate, the heroine, is loved by both Woodhull and Banion. She favors Banion, but will not wed a man under a cloud. But, during the journey, Banion saves her life several times, and finally he is enabled to prove his innocence.

The trip is fraught with great peril. The Indian attacks, the fording of rivers and prairie fires add to the terrors of the great overland journey. But there is fun as well—the great buffalo hunt supplies sport and food.

These marvelous scenes are all contained in this epic drama of the time when the west was still unconquered.

Lois Wilson, J. Warren Kerrigan, Alan Hale, Ernest Torrence, Tully Marshall, Charles Ogle, etc., are in the cast.

Returns After Study Of Dancing In Europe

Word has been received that Miss Sarah Chandler, daughter of Mr. and Mrs. Charles L. Chandler of 2400 Canada boulevard, arrived in New York Tuesday night, August 19, on the White Star liner Olympic, after several weeks' study of dancing in Europe.

The first oil well was 69 1/2 feet deep and modern wells are sometimes have sunk as low as 10,000 feet.

DROUGHT DELAYS

Dahlia Exhibit

Committee Decides to Call Off Show This Year as Blooms Damaged

EAGLE ROCK, Aug. 25.—There will be no dahlia show in Eagle Rock this year, owing to the extreme drought, which has stunted the beautiful blooms to such an extent that an exhibit would be impracticable, announces Mrs. C. A. Kirksey, chairman of the dahlia committee of the Women's Twentieth Century club. In making this announcement, Mrs. Kirksey issues the following statement:

"We find plants very small and inferior, because the scarcity of water and lack of the normal amount of rain has caused plants to bloom early.

"All committees and exhibitors except two agree that, due to the unfavorable conditions, the dahlia show should be called off for this season, rather than hold an exhibit of imperfect blossoms. There is no need to lose an enviable record.

"It is with reluctance and much regret that we take this action of postponing the dahlia show until October, 1925.

"We thank J. J. Broomall, all committees and helpers who have given blossoms and their time and have made the dahlia shows of past years a marvel of beauty and a success.

"We grieve to have our own dear Mrs. C. W. Young, who is on a vacation, learn of this postponement.

"Mrs. Young, promoter and mother of this beautiful idea, we are certain, will approve the concerted action of those who have charge of this activity of the club.

"We appreciate the co-operation of the business men in exhibiting dahlias in their places of business and earnestly hope they continue it through this season and make it an annual custom."

Word has been received from Mr. and Mrs. J. Hartley Taylor and son, Boyd, of Colorado boulevard, who has been touring in the northwest for the past month, that they are on the homeward lap of their journey. They are now in San Francisco, visiting their son, William, who is taking post-graduate work in law in the Stanford university.

Wright Dodges Issue In Speech at Tujunga

TUJUNGA, Aug. 25.—According to figures submitted by Supervisor Henry W. Wright at the district, \$19,486 was spent on roads in Tujunga during the year, from July 1, 1923, to June 30, 1924. Wright states in his report that this sum is in excess of the amount raised in the territory for road work.

In a speech made at Monte Vista park last week the supervisor explained the road work and flood control work that is to be done in the Tujunga district. Many people attended the meeting with the expectation of hearing the supervisor also explain his actions in the recent incorporation fiasco, when the friends of incorporation charge that they were disfranchised by the supervisors refusing to call an election after a petition signed by the requisite number of qualified electors had been presented, asking for an election. These people were disappointed, as Wright carefully avoided any mention of incorporation in his talk.

Verdugo City Showing Building Activity

VERDUGO, CITY, Aug. 25.—Building in Verdugo City has taken on an added spurt. Emil Busch, who was formerly known as the chicken expert of the valley, has gradually sold off his poultry and has now completed his third bungalow on his property on Los Angeles avenue. The first two of the houses were sold before completed.

The Verdugo City market building is showing up splendidly, the second story being bricked in. It is estimated the finishing of the interior will take about six more weeks. There are three ante-rooms which will be available for fraternal work in conjunction with the main hall. The different office suites are all leased, and more could have been used.

TUJUNGA NOTES

TUJUNGA, Aug. 25.—Mrs. M. C. Darwin, of the Tujunga Sanitarium and Rest Home, has returned from a vacation spent in the Plumas county mountain regions. She was accompanied by Mrs. Charles W. Fish of Los Angeles. On the trip, made by auto, they visited Blaisdel, Downville, a town established in the '49 days, San Francisco and Stockton.

Mrs. Edith M. Smith, daughter of Captain H. M. Mingay, spent a few days with her daughter, Mrs. Leslie P. Damewood, in Orange.

Mr. and Mrs. Theobald have returned from a camping trip which took them to Coronado and into Mexico.

The Mission grocery has been sold to Earl Rogers of Alhambra. Mr. Howard, the former owner, plans to return to St. Louis and engage in the railroad work with which he was formerly engaged.

A drug store has been opened at the corner of Michigan and Marshall street by D. M. McLean, formerly of New York.

GREEN LINGERIE
NEW YORK, Aug. 25.—A deep shade of green, much deeper than the lettuce tint heretofore employed, is used at present for some new silk lingerie. The trimming is flet lace.

ASSESS DISTRICT

TO FIGHT FIRES

Upper Valley Residents Urge 30-Cent Tax Be Levied To Buy Equipment

VERDUGO CITY, Aug. 25.—At a meeting of the joint fire committee representing Verdugo City, Montrose and La Crescenta valley, held here Saturday, it was unanimously agreed to recommend a fire district tax rate of 30 cents on \$100 to be levied by the county tax assessor.

The Crescenta tax district has an assessed valuation of \$2,571,186 this year, against \$1,648,140 last year. According to this, there will be \$7,713.88 available this coming year for fire protection equipment and maintenance in La Crescenta valley.

The committee also unanimously agreed on ordering the following equipment, under the provisions of Los Angeles county fire department plans and regulations as provided for by the Board of Supervisors:

One Stutz 450-gallon pumper, with chemical tanks and hose cart in combination, 1000 feet two and one-half inch rubber lined hose, 200 feet one and one-half inch rubber lined hose, 50 hydrants, 50 underground valves.

To Install Siren
The committee also ordered a complete siren alarm system and a building to house the new pumper and a new Chevrolet brush fire truck.

This equipment will be manned by paid firemen furnished by the county, but paid for out of the 30 cents assessment.

A new Chevrolet express truck speed chassis was donated to the La Crescenta valley fire district at the Saturday meeting by Harry N. Fowler, president of the Verdugo City Association of Commerce, and owner of the Fowler-Chvrolet company of Crescenta-Canada valley.

The brush fire truck body, at present on the Ford fire truck, will be transferred to the Chevrolet speed chassis, within the next ten days. The committee agreed to ask the county fire department to turn over the G. M. C. used truck donated by Harvey Bissell to Mr. Fowler.

This action by the La Crescenta valley fire committee completed the territory including Flintridge on the east and Tujunga-Sunland on the west. Flintridge ordered a complete conveyer fire fighting equipment several weeks ago and Tujunga-Sunland placed their order for a similar equipment ten days ago.

Members of La Crescenta valley fire committee are: C. L. Mead, H. N. Fowler, A. E. Sullivan, E. L. Wemple, C. M. Neff, C. H. Easton, M. S. Collins, H. S. Bissell, C. P. Waste.

VALLEY CITIZENS OBSERVE SEPT. 9

Plan Big Celebration for Admission Day at Old Mission Grounds

SAN FERNANDO, Aug. 25.—Admission Day will be celebrated here on September 9, at the historic old mission, civic societies from all over the valley joining in the demonstration, including the Native Sons of the Golden West and the Native Daughters of Southern California. It is estimated 50,000 people will be present.

John Steven McGroarty will be master of ceremonies. Beginning at 11 o'clock there will be a continuous program of vivid and colorful events. Madam Schumann-Heink, renowned grand opera singer, will render a number of songs. Practically the entire cast of the Mission Play from San Gabriel will perform throughout the day. One of California's most noted orators will deliver an oration. A boxing match and other athletic sports will be on the program.

As planned, families and groups of friends will bring basket lunches and make a day of it, as the day will be a holiday.

To Give Tableau
Lankershim will be particularly interested in the tableau to be given commemorating the treaty signed between Generals Fremont and Pico on the banks of the Los Angeles river near Lankershim boulevard at Universal City when California came under the dominion of the Stars and Stripes. Douglas Fairbanks is to take part in this play.

Behind it all is the idea to restore the old missions to their former splendor, and to do this Mr. McGroarty is organizing the Society of the Golden Scroll, of 100,000 members, who will contribute \$1 each. On September 9 the San Fernando chapter is to be organized.

September 9 will mark the seventy-fourth anniversary of the admission of California as a state of the union and the one hundred and twenty-seventh anniversary of the founding of San Fernando mission.

Active Steel Market To Follow Big Order

PITTSBURGH, Pa., Aug. 25.—A large local maker of sanitary ware has come into the market for foundry pig iron. As this concern usually buys 10,000 to 15,000 tons, a more active market is looked for. A large steel works is inquiring for 3000 tons of basic pig iron a month for the remainder of the year.

Glendale Should Have Highest Ideals

Those who have studied the extraordinary increase in Glendale's population and prestige, can name several contributing causes, but the greatest of these and the one most often mentioned is Community Loyalty. Certain it is that no city could have undergone such a transformation as that which placed Glendale among the important cities of the country without great devotion to her interests on the part of her officials, business men and citizens.

And since Community Loyalty has done so much for Glendale in the past, why should we not cultivate this sentiment more and more? Why should we not have an abiding faith in the future and destiny of our city? Why should we not have a high conception of what Glendale can and will be and then use all our means to carry out this ideal? There are so many reasons why we should serve Glendale, why we should feel a peculiar affection for her matchless setting among the hills, her pure air, her romantic origin and her incomparable history.

Outside forces may have contributed to some extent in the building of Glendale, but Community growth always depends upon the character and action of the individuals who make up the Community, so it is to the citizenship we must look for further progress.

A writer defining patriotism says: "The sentiment extends so as to embrace the community, town, state, country. The more intelligent one is, the broader his patriotism." The need is for the individual citizen to realize this, to know that his co-operation is needed in speaking good of Glendale, in encouraging every movement for the good of the Community, in refraining from criticism and in spending his money in Glendale.

"The noblest motive is the public good," said Vergil, and when we all subscribe to this sentiment our Community Loyalty will lift Glendale to her proper place as one of the most important cities in the United States.

Diet And Health

By LULU HUNT PETERS, M. D.

HEAT PROSTRATION—No. 1

"It's hot!" "It's lucky he can't see you," my private secretary remarks as I start to answer the masculine phone call to which she has just called me. The reason she makes this remark is because of my hot weather costume which is brief to the vanishing point. No shoes, no stockings, no sleeves, no neck! I have finally persuaded Ray to take off her dress but she refuses to go barefoot for some reason. Perhaps her feet aren't on such classic lines as mine. (This will make her take 'em off—you know what I mean! And perhaps it would be well for me to explain that I am writing in my apartment and not in the office.) So, for hot weather, here's:

Hint No. 1.—Discard all clothing in the law permit. This applies to children and babies particularly.

It's hot. Recently there were seven deaths reported from heat prostration in New York. The excess heat is not the real cause of death in these heat prostrations. The heat simply is the last straw. It is usually found that those who are said to die from heat prostration, really have some organic trouble, notably weak hearts, for no healthy person ever succumbed to the ordinary hot weather. Men are most often afflicted. I wonder how often these men have tobacco hearts? I wonder how many of them have hearts weakened from prolonged overweight? So here's:

Hint No. 2.—Cut out smoking and reduce your overweight.

Hint No. 3.—Overweight or underweight, eat less meat, very much less, and more salads and fruit. The high protein foods have more waste heat to be eliminated by the body, than the other foods, therefore they make you warmer. Eat less meat, fish, egg whites, and also cut down the rich pastries and fatty foods.

Get your protein in milk and cheese, preferably cottage cheese. (You should always get part of your protein from these because they are the highest in biological, or life, value.) Don't eat large meals and don't overeat at any one meal. If you are thin and get hungry between meals take some fruit or milk. (When I say "milk" I mean any milk—butter-milk, skim milk, plain milk, malted milk, etcetera.) Drink plentifully of water. Twelve to 15 glasses is recommended by Tice. Iced water is all right, with your meals or between meals, if you drink it slowly; and it is certainly a hundred times more refreshing. Remember my caution—

—drink it SLOWLY; don't gulp down two or three glasses of iced

water at a time. It may be such a shock to your solar plexus that it may give you uncomfortable, or worse than uncomfortable, results. Be very moderate with tea and coffee.

Hint No. 4.—Take a cold bath a dozen times a day, if you can. If you have a weak heart, your physician may tell you to be careful of this advice. Any quick shock has to be avoided in such cases. But you can take cold sponge baths.

Hint No. 5.—If you have an electric fan, keep it busy. Air in motion is more cooling.

Hint No. 6.—If you have to be out of doors, keep on the shady side of the street, or carry a sun umbrella.

Hint No. 7.—Unless you are pretty vigorous, don't run after street cars. Take a taxi if you can afford one. Do as little work, especially physical, as possible.

Hint No. 8.—If it is so hot at night that you can't sleep, wrap a towel or a sheet out of cold water and wrap yourself in it.

I don't take cold by any of these measures I am advising, and I don't believe you will. (If it is as hot when this article appears as it is while I am writing it, a death from a cold wouldn't seem disagreeable.)

Hint No. 9.—You might have your hair bobbed if you haven't already. It's comfortable, clean, comely and cool, takes off years from your apparent age, and is not a fad, but a revolution. It has come to stay. What more can you ask? (More about bobs later.)

Hint No. 10.—Don't get excited about the heat. Don't think heat. Keep cool with—calmness.

Those are all my rules for the hot weather that I can think of right now.

Tomorrow—Heat Prostration, No. II.

My Dear Followers:—When sending for material which we offer you remember to enclose a stamped envelope bearing your full name and address. The pamphlet on reducing and gaining is the only one for which you must enclose four cents in stamps extra. Address your letters to me in care of this paper. Make them as brief as possible, not over 200 words, and type or write them legibly with ink. Please do not use your name in any way. Remember it is impossible to give you individual advice. The questions you ask will be answered in the column as soon as possible. If they are of general interest, don't forget the s.a.s. if you expect me to send you the information I have offered.

Copyright, 1924, George Matthew Adams.

PERSONAL NOTES

H. C. Cowell of Eagle Rock has moved to 605 East Maple avenue.

O. F. Kroehle has moved from 216½ Hawthorne street to 5054 Eagle Rock boulevard.

Mrs. Kate Moore has moved from 459 West Broadway to 908 South Glendale avenue.

Mr. and Mrs. H. A. Kent have moved from 137 Franklin court to 732 North Brand boulevard.

Mr. and Mrs. W. H. Nicholson recently moved from 1344 Valley View Road to 215 West Dryden street.

Mr. and Mrs. M. P. Harrison and daughter, Inez, of 323 North Maryland avenue, are vacationing at the Palisades, Santa Monica.

Robert Hatch and Horace Brown, both of Glendale, took a motor trip Sunday to Hollywood Beach, where they spent the day.

Dr. and Mrs. L. H. Craven of 540 Louise street had dinner guests Saturday night, Mr. and Mrs. Frank Rowland of Los Angeles.

Mr. and Mrs. Harry C. Levey and daughter Dorothy of 811 South Glendale avenue are home from an outing of ten days at Catalina.

Mr. and Mrs. E. E. Harrington, 334 North Howard street, left Sunday for Avalon, Catalina Island, where they will spend a two weeks' vacation at Island Villa.

Miss Martha Dyck and daughter, Anna, of Arden avenue have returned from Paso Robles after an enjoyable week's visit with relatives and friends.

Mr. and Mrs. Elmer Humphrey and little daughter Eloise of Los Angeles were the guests yesterday of Mrs. Humphrey's parents, Mr. and Mrs. John Swearingen of 316 East Dryden street.

Dr. and Mrs. Colin Cable of 505 South Columbus avenue, entertained last night with a dinner party complimenting Mrs. Charles Brady of New Orleans. Covers were laid for eight guests.

Miss Vera Schlotzhauer of 229 North Verdugo Road and her sister-in-law, Mrs. Loren Schlotzhauer, also of Glendale, returned home Sunday after spending an enjoyable vacation at Santa Monica Palisades.

Miss Dora J. Reynolds of Minneapolis, who has been staying at the Glendale Sanitarium for the past year, is now sufficiently recovered in health to leave there and is making her home at 1209 East Lexington Drive.

Mrs. L. G. Parker of 343 West Lomita avenue, left Sunday for Cleveland Heights, Ohio, for a visit with her son-in-law and daughter, Rev. and Mrs. A. P. Higley. She plans on spending several months in the east.

Rev. and Mrs. C. R. Norton of 801 East Wilson avenue are very happy that their son, M. E. Norton and family, are anticipating locating in Glendale. They came south recently and spent yesterday with Mr. Norton's parents.

Mrs. R. G. Payne and daughter, Miss Frances Payne, of 225 Millford street, returned home Saturday night after spending five enjoyable weeks on the Hawaiian Islands. They visited all the points of interest, and report a most delightful trip.

H. O. Dyck of Hollywood was the dinner guest last night of Mr. and Mrs. H. H. Wiebe of 438 Burchett street. During the afternoon they enjoyed a motor trip to Santa Monica. Mr. Dyck also visited with his mother and sister, Mrs. Anna Dyck and Miss Martha Dyck of Arden avenue.

Mrs. O. F. Orth and daughter, Monica, and Mrs. Helen Anderson, who have been visiting for the past three months with Mr. and Mrs. C. F. Beam of 610 East Colorado street and Mr. and Mrs. J. E. McGrath of 1346 Virginia avenue, recently left en route to their home in Chicago, Ill.

Mr. and Mrs. W. W. McElroy of 510 South Adams street, have returned home from an enjoyable three weeks' vacation, one week of which was spent at Arrowhead and Big Bear Lakes. They spent another week at Long Beach and the remainder of the time at San Diego. Miss Marguerite Spratt of Helena, Mont., accompanied them to San Diego.

Willard Goertz, son of Mr. and Mrs. H. P. Goertz of 565 West Stocker street, who recently underwent an operation at a Los Angeles hospital, returned to his home last Wednesday. It is reported he is getting along very nicely and will be well enough to continue his studies at the University of California, southern branch, this fall.

Rev. J. C. Garth, Mrs. Garth and children, Marland, Marland and Frances Marland, of Willows, were the week-end guests of their cousin, Mrs. Catherine C. Van Meter, of 114 East Palmer avenue. Mr. Garth commented on the remarkable growth and progress of Glendale since his last visit here, when he occupied the pulpit of the Baptist church. Last summer, Mrs. Garth and children enjoyed an extended visit with Mrs. Van Meter at her country home in Indiana, during Mr. Garth's four months' absence abroad. Both Mr. and Mrs. Garth are now delighted to welcome their cousin to California, where she has come to make her permanent home.

Home Wedding

A very pretty wedding was solemnized Saturday night, August 23, 1924, at 7 o'clock at the home of Mr. and Mrs. A. H. Hoyt, 134 North Adams street, when their daughter, Miss Louise May Hoyt, became the bride of Calvin Percy Jewell, son of Mr. and Mrs. R. C. Jewell of 1319 East Harvard street.

The double ring ceremony was performed by Rev. W. E. Edmonds, pastor of the Glendale Presbyterian church, before a group of relatives and close friends of the bridal party. The rooms of the Hoyt home had been transformed into a bower of loveliness with artistic arrangements of flowers in the pastel shades.

Proceeding the reading of the marriage service Mrs. Fallis, of Burbank, sang two selections. Miss Hoyt wore a white georgette gown and carried an arm bouquet of white roses and ferns.

After the wedding an informal reception was held when Mr. and Mrs. Jewell received the hearty congratulations and best wishes of guests present. Later they left by motor for a trip north. Upon their return they will make their home at 1123 Stanley avenue.

Both Mr. and Mrs. Jewell graduated from the local high school in June, 1923. Mrs. Jewell was formerly employed in the Glendale Public Library.

Mr. Jewell is associated with the Pacific Southwest Trust & Savings Bank. Mr. and Mrs. Jewell are active members of the Glendale Presbyterian church and each have a wide circle of friends here. Mr. Jewell is president of the Presbyterian Young People's Christian Endeavor Society.

Anniversary

The celebration of the third anniversary of the Glendale Camp, Royal Neighbors of America, was held last Friday night in the K. P. Hall, Park avenue and South Brand boulevard.

A large number of members of the local camp and visitors from Ter-in-law, Mrs. Loren Schlotzhauer, also of Glendale, returned home Sunday after spending an enjoyable vacation at Santa Monica Palisades.

The floor work was exemplified by the Glendale members who received many compliments and praise for their work. At a late hour refreshments and an informal social hour were enjoyed.

Summers-Cornell

Miss Martha Dorothy Cornell, daughter of Mr. and Mrs. J. E. Cornell of 544 Oak street, was married to Omer E. Summers of 1011 East Lexington drive, Saturday afternoon, August 23, 1924, at the home of Rev. W. E. Edmonds at 121 South Cedar street. Mr. Edmonds performed the ceremony at 5 o'clock with Miss Cornell's parents as witnesses.

Sons, Robert and Lawrence of 132 South Louise street, are home from a vacation motor trip north. They spent three weeks on the trip, visiting Mr. Burns' sister in Visalia, going on as far north as Portland, Ore.; traveling over the Columbia River highway and going to Crater Lake. Returning by the coast route they visited Mrs. Burns' sister in San Francisco.

Mr. and Mrs. G. O. Piercey and daughter Jane of 626 North Isabel street, are home from a two weeks' sojourn at Laguna Beach.

Postmaster D. Ripley Jackson, his wife and daughter, Grace Anna, who are spending the week-end at Coronado Beach, are expected to return to Glendale tomorrow.

Mr. and Mrs. W. T. Lewis of Tombstone and Phoenix, Ariz., are visiting with Mr. and Mrs. E. C. Carter of 237 South Kenwood street. Mr. Carter is manager at Pendroy's Department store.

Mr. and Mrs. Arthur H. Dibbern of 512 East Lomita avenue left Sunday on a week's motor trip north. They plan to visit Del Monte, Carmel-by-the-sea, Big Trees and San Francisco before returning home.

Mrs. M. E. Warfield and daughter Martha of 370 West Palmer avenue spent the week-end at Hermosa Beach as guests of Mr. and Mrs. C. F. Parker of 221 North Central avenue. During the Parkers' vacation Mrs. Warfield and daughter are occupying their home on North Central avenue.

Mr. and Mrs. Henry Hahn of Riverside, Ia.; Mrs. Orpha Little and Mr. and Mrs. Edward D. Westrip of Pomona, were the dinner guests Saturday night of Mr. and Mrs. R. B. Hammond, 508 North Isabel street. Mr. Westrip is president and manager of the Pomona Manufacturing company.

Mr. and Mrs. E. M. Kennedy of 327 North Belmont street, have returned from an extended motor trip east. They visited in Oklahoma, Kansas, Missouri and Iowa. They also spent two weeks at Mayo brothers in Rochester, Minn. They made the trip home in several days, a distance of 1731 miles from Okmulgee, Ok. They came over the Ozarks and National Old Trail, and found the roads in fine condition most of the way.

Shrine Outing

A company of sixty-six members and guests of Omar Shrine, White Shrine of Jerusalem, enjoyed an outing Saturday night at Santa Monica.

The majority of the party journeyed to the beach in a special Pacific Electric car, leaving South Brand boulevard, in front of the Masonic temple at 4 o'clock. W. W. Cannady made arrangements for the car. En route to and from the beach singing was led by Maude Smith, Edith Coghlin, Ethel Parsons, Katherine Delgado, Verlee Root and R. M. Grumbing and W. W. Cannady.

A delicious luncheon was arranged by Gertrude McMillan, assisted by Orma Vesper Naudain and Maude Evans. Dancing was enjoyed until the hour for returning home.

Mr. and Mrs. James Wyvell and Mr. and Mrs. Ralph W. Browne arranged for the picnic location. Special guests were Mr. and Mrs. W. G. Wisner, Mrs. Emma Belle Kuttler, supreme officers, and G. C. Kuttler from Hollywood.

Motor to Beach

Santa Monica beach will be the destination tomorrow of members of the local Episcopal parish. It will be the final informal affair sponsored by the Guild before the fall program begins September 4.

Plans are for leaving the church on South Louise and East Harvard streets, at 9:30 o'clock in the morning. Those having extra room in their automobiles are asked to take those having no means of transportation. All are to take basket lunches, to be eaten at noon on the Santa Monica pier. All members of the parish are invited to enjoy the outing.

All Day Meeting

Mrs. George O. Robinson's group of the women's home missionary society of the First Methodist church will hold its regular all-day meeting at the home of Mrs. C. La Rowe, 1339 East Harvard street, on Wednesday, August 27. A special feature of the meeting will be an all months' birthday offering. Each one will be presented with a generous slice of birthday cake. During the day donations for the Christmas bazaar will be taken to be sent to the church missionary. Rev. Olmstead, who is in India. Each member is asked to bring a friend and to come prepared to sew, as considerable work is being planned for the afternoon.

Darrow In Tears as Slay's Plea Closes

CRIMINAL COURT, Chicago, Aug. 25.—With tears streaming unchecked from his eyes and failing on the bare oaken bar of justice in Judge Caverly's court, Clarence Darrow finished shortly after 4 o'clock this afternoon his plea for mercy for Nathan Leopold, jr., and Richard Loeb, the boys who killed for a thrill.

He had spoken nine hours, extending over three days, and when he finished his were not the only tears falling in the crowded courtroom.

DEATHS - FUNERALS

MRS. HANNAH LOUISE STURGES

Mrs. Hannah Louise Sturges of Glendale died today, Monday, August 25, 1924, in an Alhambra hospital. She was born November 27, 1847, in Illinois, and came to California two years ago.

Surviving her are three sons, Harry Claude Sturges, of Alhambra; W. M. Sturges, of Los Angeles, and Frank L. Sturges, of Toluca, Kan.; and a daughter, Mrs. P. D. Turner, of Kansas City.

Funeral arrangements will be announced later by Kiefer & Eyerick.

MISS ANNIE P. LARSEN

Miss Annie P. Larsen died this morning, Monday, August 25, 1924, at her home, 224 Georgia Lane, Tujunga. She was born March 1, 1888.

Surviving are her mother, Mary Selma Larsen of Tujunga; her father, Nellis Larsen of Alameda; five brothers, Martin C. and Louis and William Larsen of Portland, Ore.; and Lawrence and Arthur Larsen of Tujunga; and a sister, Nell M. Larsen of Portland, Ore.

Her body will be shipped by Kiefer & Eyerick to Portland for funeral and burial.

J. HEIDLER

J. Helder died this morning, Monday, August 25, 1924, at the home of his daughter, Mrs. Laura R. Walcott, at 808 East Elk street, at the age of 64 years. He was a native of Pennsylvania.

He is survived by his wife, Mrs. Mathilda Helder; four daughters, Mrs. Laura Walcott of Glendale, Mrs. George Morgan of McKees Rocks, Pa., Mrs. Thomas Walters and Mrs. Otis Richie of Coraopolis, Pa.; and a son, Walter E. Helder of Glendale.

Funeral arrangements will be announced by the L. G. Scovern Undertaking company.

MISS M. LOUISE HUTCHINSON

Miss M. Louise Hutchinson died Saturday, August 23, 1924, at La Crescenta at the age of 71 years. She was a native of Ohio. Surviving her is one sister, Miss M. Isabel Hutchinson of 1844 South St. Andrews place, Los Angeles.

Funeral services will be held at 3 o'clock Wednesday afternoon in the Little Church of the Flowers in Forest Lawn Memorial park. L. G. Scovern, director.

STATE SOCIETIES

Missouri picnic, Saturday, August 30, Sycamore Grove park, Los Angeles.

Michigan picnic, Saturday, September 1, Sycamore Grove park, Los Angeles.

A agency for American people has been opened in Warsaw.

BIRTHS

Mr. and Mrs. C. C. Fields of 22 West Avenue 31, Glassell park, Los Angeles, are the parents of a son born this morning, Monday, August 25, 1924, at the Glendale Research Hospital.

A daughter was born last night, Sunday, August 24, 1924, at the Glendale Research Hospital, to Mr. and Mrs. R. Rogers of 5758 Ninth avenue, Los Angeles.

Mr. and Mrs. R. L. Stevens of 545 East Cypress street announce the birth of a daughter, Sunday morning, August 24, 1924, at the Glendale Research Hospital.

Plane Crash Victim Undergoes Operation

Raymond D. Dutton of Chicago, who has resided at Sixth and Cornell street, Burbank, and who was injured Sunday, June 22, in a spectacular airplane crash at Los Turas lake, fifteen miles north of Calabasas, underwent a major operation this morning at the Glendale Research hospital. Dr. T. C. Young performed the operation on Mr. Dutton's left leg, which was injured in the accident.

At the time of the accident Mr. Dutton was flying with Rupert Malone, Burbank pilot, in the annual Santa Barbara aero meet. The plane had just taken off and was about 100 feet in the air, when suddenly it went out of control and crashed to the field, a total wreck.

The two men were rushed to the Glendale Research hospital, where it was found that Mr. Dutton had serious head injuries and a compound fracture of the left thigh. At that time an operation was performed on his head.

Kiwanis Dance to Be Forerunner of Others

The Kiwanis district dance, held Saturday night at the Oakmont Country club, proved to be a most delightful affair, with over a hundred couples in attendance.

This dance was one of the first zone social affairs given this season, and as it proved to be such an enjoyable event it was decided to hold a district dance once a month during the winter, with the various clubs acting as hosts. At Saturday night's affair there were guests from all clubs of the district, including Lankershim, Tujunga, Van Nuys, San Fernando, Eagle Rock, Pasadena, Hollywood and Burbank.

POLITICAL ANNOUNCEMENT

Vote for

O. B. Manchester for Supervisor

Of the Fifth Supervisorial District at the Primaries—Tomorrow

A Man Who Will Endeavor to Serve the Best Interests of the Most People of His District and NOT Assume Any Autocratic Powers to Serve a Special Class or Favored Few

O. B. MANCHESTER

A Man Who Is Straightforward and Square in All His Dealings and Who Will NOT Go Back On His Word.

—Whose Record for Twenty-One Years Speaks for Itself.

A Man Who Will Truly Represent All the District

Who Cannot Be Swayed by Special Privilege or Petty Politicians

Manchester says:

"Taxes have advanced steadily year by year, and yet we have been told that the rate has been reduced six per cent.

"What does it profit a man if the rate has been reduced if the valuation is increased so the final result in the tax bill is an increase of from 10% to 50%? Compare the 1923 tax bill with that of 1922, that will give you the facts.

"Los Angeles County with its problems of roads, hospitals, water conservation, is a great and ever increasing county and its management requires careful planning today and wisdom for the future.

"I have served the taxpayers of Los Angeles County for over twenty-one years in the various departments of the County Treasurer's Office, which service speaks for itself, lately resigning from the Chief Deputyship.

"I solicit your support."

Manchester Is the Man for Supervisor—Vote for Him Tuesday

THIS PAGE PAID FOR BY FRIENDS AND
SUPPORTERS OF MR. MANCHESTER

Elect McCartney Superior Court Judge

We, the undersigned, Citizens of Glendale, Los Angeles County, recognizing the ability and integrity of Attorney H. S. G. McCartney, and his experience of over 20 years as an active practitioner in the courts of our State, and in public positions of trust and confidence, and his sterling qualities as a respected citizen of Los Angeles County for over 30 years, do hereby endorse and recommend his election to the office of Judge of the Superior Court of the State of California, in and for the County of Los Angeles, for which position he is now a candidate. By his election, Los Angeles County will have as one of its Judges, a man who we are certain will fairly and justly administer the responsible duties of that office.

AWARD CONTRACT ON NEW BUILDING

Roy L. Kent, Glendale, Low Bidder on Clubhouse At Burbank

BURBANK, Aug. 25.—The contract for construction of the Women's club has been awarded to Roy L. Kent of Glendale, who made the lowest bid of \$24,089. There were twelve bids on the general contract, one as high as \$34,000. The club women state that it was with the deepest regret that they were unable to give the work to a Burbank contractor, but there was over \$2,000 difference in the first and second bid, the latter being for \$27,462, by Campbell & Thomson of this city. The other local bidders and their bids were: Benj. Farley, \$27,650 and J. F. Cummins, \$29,503. While the general contract did not go to a Burbank concern, the plumbing bid of C. B. Khal was the lowest, \$1722, and was accepted. The highest plumbing bid was \$1985.

Start Work Soon
The building committee went into session at the club room, with several of the bidders present, when the bids were opened by Mrs. Doan chairman of the committee. At 1 o'clock the board of directors was called to order and a united meeting was held with the committee. Mrs. Walter Fisher, president of the club, states that it is expected to get work started on the clubhouse, which is to be located on Olive avenue and Seventh street, early in September. Mrs. Charles Holt and son and a friend, Miss Troxell, who have been guests for the past month of Mrs. Holt's brother, William Coryell and family, left yesterday over the Union Pacific for their home in Ainsworth, Neb.

Supervisors to Buy Playground Equipment

SUNLAND, Aug. 25.—An appropriation of \$6500 has been placed in the budget for next year by the county supervisors, to be used in purchasing playground and other equipment for Monte Vista park, according to a report made by Homer Rice, of the committee from the Sunland Chamber of Commerce. Plans for enlarging the park have been delayed by the owner of the land desired, in cutting part of the property into lots and selling them. The plan was to buy a plot of land north of the park and add it to the whole property. Monte Vista park attracts a larger number of picnickers every year and the Chamber of Commerce and public spirited individuals have been working to have the county enlarge the grounds by the purchase of the site mentioned. It is considered particularly desirable in view of the fact that there are a number of large oak trees on the land and water is practically on the surface and could be utilized in providing swimming pools and drinking water fountains.

Entertains In Honor Of Eastern Relative

SUNLAND, Aug. 25.—Mrs. Fred Good of Summit avenue recently entertained in honor of her aunt, Miss Anna B. Norton of Kansas City. Games were enjoyed and refreshments were served in the dining room which was artistically decorated in goldenrod. Miss Maud McConnell, sister of Mrs. Good, assisted in entertaining. Guests present were Mr. and Mrs. S. Anderson of Pomona, Mrs. J. McMann, Mrs. J. M. Goode, Mrs. George Alker and Mrs. Morgan. Mrs. Carrie D. Abernathy was honored with a surprise shower by the Monte Vista Women's club sewing circle, at a meeting at the home of Mrs. Nichols on Orange street. A luncheon was served the guests.

Kiwanians Will Take Tujungans to Polls

TUJUNGA, Aug. 25.—Tujungans and Sunland voters will all have an opportunity to be taken to the polls tomorrow through the courtesy of the Tujungan Kiwanis club, which has made arrangements for autos to carry anyone who desires the convenience. "Ride to the polls with the Kiwanis club—Non-partisan" is the banner that will be displayed on the cars. The number of votes cast at recent elections was so small in comparison with the number of voters in the three precincts of Tujungan that the Kiwanis club believes something should be done to stimulate interest in the elections.

Plan Improvements on Subdivision of Ranch

SUNLAND, Aug. 25.—Promoters who are planning to place the old Mears ranch, located west of Monte Vista park, on the market as a high class residence subdivision have announced their plan of widening the highway through the ranch to ninety feet and making all other streets at least sixty-five feet wide. Earl Newmyer represents the owners and has also announced that a pumping plant with an 80,000 gallon reservoir will be installed to supply the tract with water. Mr. Newmyer pledged his company to support all projects for community improvement.

DR. MONTGOMERY SPEAKS AT CHURCH

Anti-Saloon League Leader Tells Methodists of Fight on Dry Law

Dr. S. T. Montgomery, president of the Anti-Saloon League of Southern California, was the speaker at the First Methodist church yesterday morning. His address was along the line of the work to which the league is dedicated, the securing and enforcing of the national prohibition laws. "There are four scriptural injunctions that I shall make use of this morning," said he. "They are these: 'Watch. Hold fast. Faint not. Press forward.' In the great work in which we are engaged we shall do well to give heed to all these warnings. While there have been many organizations at work, the adoption of the eighteenth amendment, the securing of dry legislation is largely the product of the church, and is the greatest moral victory since Christendom. Great as was the freeing of African slaves, this is greater. It is the by-product of the church, for the great and principal mission of the church is to get men and women regenerated. Prohibition amendment is the greatest political accomplishment of any nation, the greatest financial victory. Broadly considered the most successful in its operation. The savings of wage-workers and laboring people has increased 50 per cent. Six and one-half millions of these savings are going into homes each year. "When that great statesman, Lloyd George, visited this country he studied this question. Upon his return to England reporters flocked around to get his views. Said he: 'As a result of prohibition the American children are the happiest kiddies in Christendom.' We are going over the top, but we are not yet over. The combined forces of alcohol of the world have combined to break down our constitution and defy our laws. The battle is now on."

Planning Experts to Speak at C. C. Meet

TUJUNGA, Aug. 25.—The Tujungan Chamber of Commerce will be host tomorrow, Tuesday night, to the Associated Chambers of Commerce at a meeting to be held in Legion hall, E. Centro and Sunset boulevard. Dinner will be served by the Legion Auxiliary and a musical program will be given during the meal. H. W. Zachau, Ed Forster and J. O. B. Bodkin form the committee that has arranged the program. Hugh Pomeroy, member of the county regional planning commission, and C. Gordon Whitnall, secretary of the Los Angeles City Planning commission, will be the principal speakers. Mr. Pomeroy will speak of the proposed circle drive through the Verdugo hills to cross San Fernando valley and connect with Mulholland drive. Mr. Whitnall will speak on the subject of parks.

Tujungans Masons Will Confer Second Degree

TUJUNGA, Aug. 25.—In order to facilitate the work of initiation of new members in the Glendale lodge of Masons before the grand lodge meets, the new Tujungan Masonic lodge will hold a special meeting tonight, August 25, to confer the second, or fellowcraft, degree on three candidates from the Glendale lodge. The Tujungan lodge has just recently been formed and has not yet received its charter, operating on dispensation until after the grand lodge meeting, when the charter is expected to be presented.

Identify Body of Man Found In Dark Cellar

NEW YORK, Aug. 25.—The body of a man, covered with tar and plaster of Paris, found yesterday in a galvanized iron box taken from a dark cellar in West 12th street, has been identified as that of Aaron J. Graff, a radio maker, missing since August 1, when he went to see John Logas, his partner, at the house where the body was found. Logas vanished August 9, the day Graff's relatives found him missing.

Engine and Hydrants For Fire Protection

TUJUNGA, Aug. 25.—The recommendations of the advisory board of the Tujungan-Sunland fire protection district will be carried out in the purchase by the county of a Stutz fire engine for the district, according to reports made at the last meeting of the round table representing Tujungan and Sunland communities. Fifty-two fire hydrants will also be placed in the district and a building to house the fire engine is being planned. Three men will be employed on eight hour shifts to be on duty at the fire house at all times.

Los Angeles Realty Board to Be Guests

TUJUNGA, Aug. 25.—The Tujungan Valley Realty board members will be hosts to members of the Los Angeles Realty board Tuesday night, August 26, at a picnic dinner in the Garden of the Moon park and a dancing party in the outdoor pavilion. The courtesies of the outdoor swimming pool will be accorded the guests. Leo Smith was appointed a committee of one to convey the invitation and Clarence C. Buck, secretary of the Tujungan board, was appointed to arrange the entertainment.

ELECTRIFIED ROADS

About one-half of the Swiss government railways, some 300 miles, have been electrified.

By KATHLEEN NORRIS. Copyright, 1924.

CHAPTER XXXV.

Dora sat erect on the davenport, putting her feet slowly on the floor. Her eyes did not leave Hilary's; she regarded her sister with utter stupefaction. Once or twice she half-opened her mouth to speak, but the rush of Hilary's eloquence silenced her, and Dora stared on; her white cheeks gradually assuming a most uncomfortable red.

"Don't think," Hilary said, well warmed to her task, "that if you are foolish enough to leave Craig Spaulding I shall be delighted to have you come back to Mount Holly. I shall be bitterly ashamed. I love you, Dora, I have always loved you more than anything else in life."

She felt herself breaking a little, and steeled her voice. But the little hint of tenderness entirely overwhelmed Dora, who flung herself face downward on the davenport, walling like a terrified child.

"Oo—oo—oo—oo—oo!" sobbed Dora, choking and gasping in her utter amazement. Hilary took a step toward her, drew back the hand that had always gone about the little figure in hours of bitterness, and that moved involuntarily toward her now, and, turning calmly, left the room, closing the door gently behind her, but not so gently but that Dora heard the sound. Hilary, her heart beating fast, went to her room; and as she took off her street things, and settled herself on her bed, with a new book, she reflected complacently that there was great refreshment for the soul in this honest dealing, and that in no case could this little dose of moral medicine do Dora anything but good.

However, the mood of serenity did not last, and suddenly Hilary discovered that she was understanding not one word of what she was reading, that her heart was beating fast and uncomfortably, and that the room was icy cold.

She leaped up, turned the wheel of her radiator, and slipped into her big woolly wrapper. As she did so Alice came softly in, with an armful of light wood, and quickly laid a fire.

"I wish you'd go to Mrs. Spaulding's room, Alice, and ask her to come in and see me," Hilary suggested, after thought. The flame was leaping cheerfully now, and Alice was moving about lighting the lamps and turning down the bed.

"Mrs. Spaulding went out about half an hour ago, Miss Collier. She

Theatres

Views and Previews

"The Stampede" nearly stamped an audience of 2000 last night at the tent theatre of Murphy's Comedians, corner of Central avenue and Stocker street Casa Verdugo. Here is a western drama of red-blooded, tingling action, interspersed with rollicking comedy.

J. A. Menard, manager of Murphy's Comedians, is to be congratulated for offering the public of Glendale and surrounding points such a strong, rousing drama. It recalls the days of the open west, when cowboys rode wide and round-ups were something more than the tame affairs of today.

"The Stampede" is bound to prove one of the most popular of the long line of successful plays presented by these players, and Horace Murphy, stage manager, deserves no little credit for the splendid cast he has assembled for the production. The curtain rises nightly at 8 o'clock.

THE GATEWAY
"The Covered Wagon" continues at the Gateway theatre.

THE GLENDALE
"Pools in the Dark" continues at the Glendale theatre.

"Single Wives" continues at the T. D. & L. theatre.

from the policeman.

"She's all right, no bones broken!" Craig said loudly. "It's all right!"

"Of course it's all right!" But Hilary sobbed and laughed, as Hilary half-led and half-carried her toward the library. Banks spoke to the curious crowd that pressed almost into the doorway. Hilary had a vague impression that Craig was giving the policeman a green-back; then the door closed.

Craig rushed to the davenport; he and Hilary lowered the hysterical Hilary upon it; Banks fluttered about, as Hilary sobbed, "Like Marceline at the Hippodrome!" They stuffed pillows about her, and Craig told Emma harshly for God's sake to stop talking and go get Mrs. Spaulding some brandy.

"What was it, my precious, my darling?" he said, his arms about his wife. Hilary tried to smile, and tried to say, "Why, it was nothing!" in a perfectly natural tone. But at the effort she burst out into genuine crying, unmixed with laughter, and buried her head in Craig's neck.

(To Be Continued)

Uncle Wiggily

By HOWARD R. GARIS

UNCLE WIGGILY AND THE SAND FLIPPER

Uncle Wiggily, one day, was sitting all alone by himself on the sandy seashore beach. He was twinking his pink nose, because a little fly had just been sleeping on it, and his nose tickled—I mean Uncle Wiggily's nose tickled.

"Heigh ho!" sighed the bunny rabbit gentleman, as he stretched out his paws, lazy like and comfortable. "I wonder what sort of an adventure will happen to me today?"

Hardly had he spoken, as they say in story books, than Mr. Longears felt a lot of sand scattered on his clothes and up in his face. Grains of sand littered all over the bunny.

"Goodness! A wind storm must be coming up!" thought the rabbit. "I had better hop back to my driftwood bungalow, or Nurse Jane may be frightened," for the muskrat lady was at home all alone.

But as Uncle Wiggily looked up at the sky he saw that it was as blue as the eyes of a china doll, and there was no sign of a storm. For all that, however, more sand was scattered over the rabbit.

"I wonder if the sea lobster can be hiding behind a rock and throwing sand at me?" said the uncle rabbit out loud. And at once a voice answered, saying:

"I threw sand on you, but I'm not a lobster!"

"Who are you?" asked Mr. Longears, looking around, but seeing no one.

"I am a Sand Flipper," was the answer, and from out of a hole in the beach crawled a queer looking little boy animal. He was something like a shrimp, or a small lobster, having extra big claws for flipping sand.

"Oh, you are a Sand Flipper, are you?" asked Uncle Wiggily, kindly like and good natured.

"And what do you do, little boy Sand Flipper?"

"I flip sand on you—that's what I do!" shouted the small chap, quite saucy like and impolite. And with that he threw a lot more sand in Uncle Wiggily's face.

At first the bunny rabbit had thought that the little fellow was only playing, or had flipped the sand by accident. But now it could be seen that he was doing it on purpose.

Then Uncle Wiggily spoke firmly, saying:

"Look here, little Sand Flipper, you shouldn't do this! I'm sure if your mother knew that you were tossing sand on old gentlemen rabbits she would punish you."

"Aw, go on! I'm not afraid of her nor you neither!" shouted the little Sand Flipper. "I'll chuck as much sand as I want, so there!"

He was just getting ready to cover Uncle Wiggily with the silvery grains from the seashore when, all of a sudden, a big black beach crow swooped down out of the air.

"I want a Sand Flipper! I want a Sand Flipper!" cawed the crow as he saw the teasing little chap. "I want a bad little Sand Flipper!"

"Oh, don't let the Crow get me! please don't let him get me, Uncle Wiggily!" howled the Sand Flipper.

Then the rabbit gentleman, taking his red, white and blue rheumatism crutch, waved it in the air, frightening away the beach crow.

ers' association; Mrs. A. H. Montgomery, Tuesday Afternoon club; Mr. Jessie A. Russell, Business and Professional Women's club; R. D. White, Community Service; and T. D. Watson, the American Legion.

Open Forum Plans
Vice President D. H. Smith, who presided, outlined the plans that have been suggested for holding an open forum meeting once a month, each one of the various clubs to be responsible for one of the programs to be presented at the various meetings throughout the year.

Howard I. Wood, secretary of the Chamber of Commerce, developed the idea still further, showing the need for the co-ordination of effort on civic problems on the part of every organization in the city, working with and through the Chamber of Commerce for the up-building of Glendale.

The directors who were present were D. H. Smith, L. H. Wilson, Frank L. Fox, George B. Karr, A. R. Eastman, R. F. Kitterman, Fred Deal, George Bentley, Harry MacBain and C. W. Ingledue, with Lyman P. Clark present as the representative of the Glendale Motor Car Dealers' Association.

Wilson & Co. Goes Into Hands of Receiver

CHICAGO, Aug. 25.—Wilson & company, one of the "big four" packers, with headquarters in Chicago, today was placed in the hands of a receiver in Trenton, N. J., on complaint of Maurice I. Klein of Newark, a stockholder. State Banking Commissioner Edward Maxson of New Jersey was named temporary receiver.

Today's action was not unexpected, although a local bankers' committee, of which Frank O. Wetmore, president of the First National bank, is chairman, has been endeavoring to refinance the company for some time.

Shasta Glacier Again Reported on Rampage

McCLOUD, Cal., Aug. 25.—Mount Shasta's glacier is on a rampage again. The warm weather of the last few days has caused the glacier at the south side of Mount Shasta several days ago to once more send down a torrent of mud and ashes. Mud canyon is today a sort of sluiceway, down which the muddy mud of the texture of concrete pours out on to the flat, sweeping with it boulders as big as a small house.

Dunlap Resumes His Story In Own Defense

LOS ANGELES, Aug. 25.—Harry J. Dunlap, alleged badge bandit, took the stand this morning to undergo a grueling cross-examination at the hands of District Attorney Asa Keyes, following testimony he gave last Friday in his own defense. He is on trial on nine counts of an indictment charging robbery and criminal assault.

Milton Golden, defense attorney, is expected to call several additional witnesses after Dunlap is excused from the stand, in an attempt to shake the identification of Dunlap as the man who committed numerous crimes in the vicinity of Los Angeles as the "badge bandit."

One Dead, Two Hurt In Long Beach Air Crash

LONG BEACH, Aug. 25.—Chas. Ford Haas of Montebello is dead and Russell Castell of Compton probably fatally injured here following an airplane crash late yesterday. T. E. Monday, pilot, escaped with bruises and a broken hand.

COMMENT That's All

Klan Not An Issue Look Candidates Over Flyers Nearing Home Best Time To Build

By Gil A. Cowan

Once again the argument over the Ku Klux Klan in the national election becomes passive, for Mr. Dawes agrees with Mr. Davis, that it is not an issue. Practically all parties repudiate the support of the hooded order.

But in Texas the Klan was made an issue, the same as in Oklahoma, and in these strongholds the anti-Klan candidates were among the winners. All of which is an answer to the political power any order can wield in these United States of ours.

Thinking Klansmen, in the belief of the writer, will vote for the best man regardless of endorsement. And those who do not think, likely will not take the trouble to vote.

The American Legion is urging all of its members and other patriotic citizens to vote. Tomorrow is election day, and it is the right, privilege and duty of every registered elector to go to the polls and cast his or her ballot.

If you do not know the merits of the candidates for whom you are voting, do not merely place an X opposite the first name on the list. Make inquiries before you go to the polls regarding "who is who," and if you are not satisfied in your own mind that they are proper parties to hold office, pass them up.

For those of you who desire to see a good motion picture, one which has an historical setting, "The Covered Wagon" now playing at the Gateway theatre, commands itself.

This production was one which exhibitors feared would be a box office failure, because it is devoid of "sex stuff." Strange to relate the public acclaimed it as the type of picture it wants to see, and today three or four more great westerns are being filmed.

Having successfully reached Ivigtut, Greenland, the two American planes have only one more hop to make before they reach Labrador on the American continent.

And today the search for the Italian flyer, who was lost for three days in icy wastes, ended successfully.

Altogether, Lieutenants Smith and Nelson have been extremely fortunate, for blazing a trail around the world in an air flight is no mean accomplishment. English, Belgian and Argentine pilots have failed, and the Italian pilot really didn't get a start before misfortune came.

Vacation season is fast drawing to a close. Only a week or two more until schools will be opening. And the winter tourist season will begin with many families coming here to gain access to the equable climate, the excellent educational facilities and the low cost of living, as compared to the east, where coal and servants come high.

If Glendale hasn't homes to rent it is time that some were built. Never will cost of construction be lower, experts aver. Now is the ideal time to build.

DUTY OF CITIZENS TO CAST BALLOT

Rev. B. J. Darneille Declares Exercise of Franchise Is Owing to State

Declaring that the exercise of the franchise is the duty of every patriotic citizen, Rev. B. J. Darneille, preaching in St. Mark's Episcopal church Sunday morning, urged that the members of the congregation go to the polls tomorrow and cast their votes for the candidates whom they believe to be best fitted to fill the offices they seek. Mr. Darneille did not mention any candidate by name.

"Failure to do our duty to the state is a failure to do our duty to God," he said. "What kind of men can we expect to see in office if we neglect to vote? The shame of the electorate today is the small percentage of those who are entitled to do so who go to the polls and register their will on election day, so that many of those who are now in office do not represent the choice of the majority of the people."

"The power to insure the proper conduct of public office lies in the hands of the people, but if we fail to vote and a crook is elected, it is the fault of those who stay away from the polls."

Mr. Darneille urged the people to pick candidates who will regard their office as a trust and who will not work merely for their own perpetuation in office.

Politics and Church Is Topic of Speakers

Charles E. Millikan, assistant dean of the college of law at the University of Southern California, son of Rev. L. J. Millikan, pastor of the Broadway Methodist church, South, spoke at that church last night on "Politics and the Church." A large audience gathered at the church to hear Mr. Millikan in his interesting address.

20 days are necessary to complete the processes of making a one-dollar bill.

NEW YORK CLOSING

By W. S. COUSINS For International News Service.

NEW YORK, Aug. 25.—Falling prices were the order of the day in all the principal markets today as well as in important commodity markets. The sharp break in prices of speculative stocks was attributed mostly to the effects of professional traders opening a broadside against the high priced industrials and against certain stocks which have been sponsored by bullish pools and in which distribution on a large scale has already taken place.

Cotton prices tumbled precipitately at the opening of the cotton market today and the losses extended to nearly \$7.50 a bale as liquidation of contracts proceeded on a large scale. The market was thrown off its base by the government's report. Wheat broke 2 cents a bushel and corn, after declining 3 cents a bushel, recovered part of its loss. Bonds made good resistance to selling pressure. Sugar markets were strong, but gasoline suffered another decline of one-cent a gallon as the price war among large refiners, including the Standard Oils, Texas company, Gulf Refining and Sinclair continued.

Weakness in the stock market was apparent at the opening and few rallying tendencies were in evidence throughout the session.

News Want Ads Bring Results.

Colorado Fuel and Iron was battered down to 35½ today for a further loss of 7½ points as pool support was withdrawn and reports were circulated that water had been encountered in the wells on the property where it was hoped to find oil.

Considering the confusion in other sections of the speculative market the Standard market leaders made an excellent showing, prices of such stocks as American Can, Baldwin and U. S. Steel making only slight response to the heavy selling and in many cases selling higher than in the previous session. This seemed to confirm the impression that professional bears or bulls anxious to re-enter the market at lower prices were using their efforts to bring about a general decline.

OIL TAKES DROP

NEW YORK, Aug. 25.—Following the lead of the Gulf Oil & Refining company, the Standard Oil company of New York cut gasoline prices in the New York local and New England territory one cent a gallon today, making tank wagon 19 and filling station prices 20 cents a gallon.

The Sinclair Oil company met these cuts and reduced prices to the same level.

L. A. EXCHANGE

By Southland News Service

LOS ANGELES, Aug. 25.—Attack on Julian Petroleum, under way for several weeks on the floor of the Los Angeles stock and bond exchange, continued this morning when Julian was forced down from \$7.40 to \$7.25, a new low mark. The preferred, opening at \$12.40, declined under heavy selling pressure.

Edison common was steady today at \$93.50, but the 7 per cent dropped 1 point to \$103.25. Los Angeles Gas & Electric was on an upward swing, opening at \$89 and advancing ¼ to \$89.25.

In the oils, Union Oil of California was firm at \$132. Union Associations was steady at \$57.25 and Mascot Oil at \$80. United Oil, opening at \$31.75 advanced ¼ point to \$32. Shell Union common was firm at \$16.25 and U. S. Royalties at .07½.

In the mines, Gold Ore sold heavily at .02 and Tom Reed at .20. The exchange will be closed all day tomorrow, Election Day, it was announced to the members today.

In all of India are only 14,500 telephones, and of these all but 1157 are owned by the government.

CHICAGO WHEAT

By International News Service

CHICAGO, Aug. 25.—After a jerky opening that gave signs of firmness in early trading, all grains finally broke, chiefly on general liquidation, but firmed up at the close. Wheat closed ¼ to 1½ higher. Corn closed 1½ lower to ½ higher. Oats closed ¼ to ½ higher. Provisions were steady.

Spectacles and eyeglasses shipped from this to other countries totaled 168,403 in one month recently.

PRAYER IS THEME AT C. E. MEETING

Glendale and Los Angeles Societies Adopt Novel Exchange Idea

An "exchange meeting" featured the program for the Glendale Presbyterian Intermediate Christian Endeavor society at the regular meeting held last night. The leadership of the meeting was turned over to a delegation of young folks from the Epworth League of the Trinity Methodist church, Los Angeles, while a party of Glendale members journeyed to the other church, where the meeting was conducted by Miss Dorothy Schenck.

"Effectual Prayer" was the theme of the study hour as chosen by the visitors, and a new type of meeting was shown the local members in the discussion that followed. Four of the visiting members gave the topic of prayer a thorough and interesting treatment, dwelling on the following points, or conditions necessary for effectual prayer: Purity of heart; faith in prayer; accordance

with the will of God; calling on the "name of Jesus," as intercessor; perseverance; gratitude; and belief in and recognition of the ultimate answer to prayer.

Preceding the topic discussion, a special musical number was afforded by three of the visitors, who rendered "Almost Persuaded." Ruth Jackle and Ruth Yoder, who attended the Occidental summer conference as official delegates for the organization, gave reports on the conference.

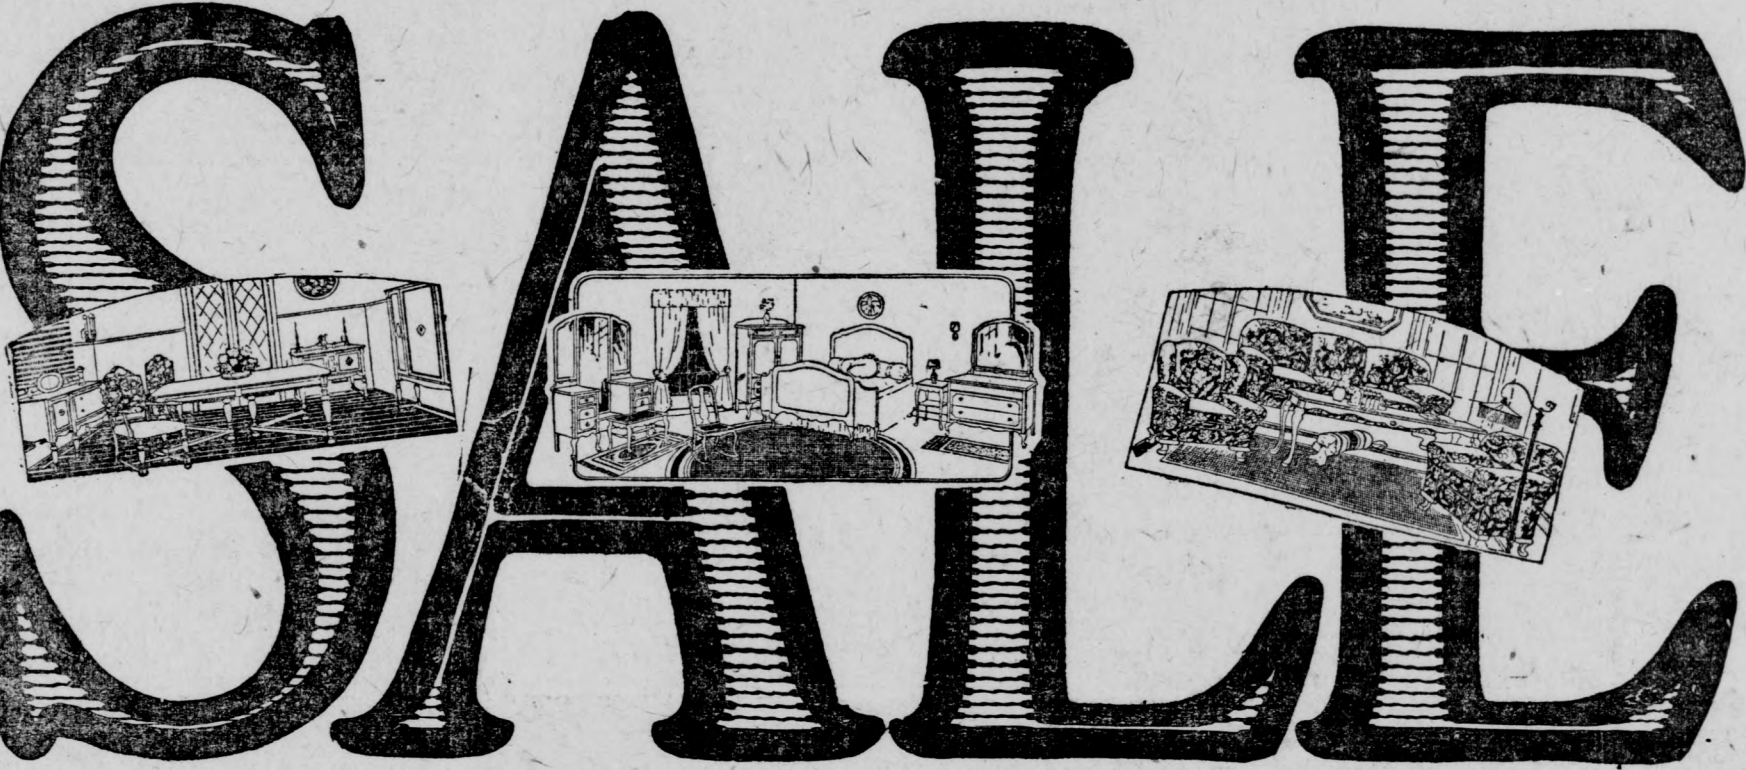

Elect Officers

An important announcement was earlier made concerning the appointment of the nominating committee, composed of Neal Sooy, chairman, Lyle McAllister, Mildred Thompson and Superintendent Howard L. Brown. Following a preliminary straw vote by the society the following Sunday, this committee will meet to select the candidates for officers in the society for the next term.

A meeting of the Lookout department will take the form of a small party tonight, Monday evening, August 25, at the home of Howard L. Brown, 406 North Maryland, where Harold Parker, department director, will confer with the members on subjects of extension, advertising and personal work in planning for the following month.

America's 1923 bill for electricity will exceed a billion dollars.

SERIES TO DUCKS AS DOUBLE SPLIT

Tigers Take First Game by Heavy Hitting; Fail to Repeat in Second

By C. R. SIMMONS
By Southland News Service.
LOS ANGELES, Aug. 25.—The Portland Beavers took the series from the Tigers yesterday, by winning the last game of a doubleheader, 6 to 4. The Tigers trampled on the Beavers in the first contest, snowing the visitors under to the tune of 12-6. In this battle the Beavers also doubled the hits on the Beavers by gathering 18 to Portland's 9.

In the first game the Tigers piled up eight scores in the first two innings, which would have been plenty, but they continued to kick the Beavers around again in sixth and hammered away for an additional four tallies. The Beavers got personal with Bedient in the central frame, the first three Tiger batters nailing him for a triple and two singles, putting two men across the plate. Six more came in the second canto. Keefe relieved Bedient on the mound. Ken Penner started for Vernon, but was taken out in the fourth for ineffectiveness, making room for Thomas.

In the second game the Beavers staged a come back and tipped the Tigers over for a 6 to 4 win. This contest displayed a much better brand of baseball but the Beavers found it not so easy to smack the pill when delivered by Jess Winters and Yarrison, who hurled for the visitors. Vernon's hits were untimely and counted for little. Two runs in the fourth were mercy donated, while Portland counted four in the fourth and one each in the seventh and eighth.

The Angels and Bees split yesterday's double bill, the first game going to the Seraphs, 13 to 12, and was a ten-inning affair. The second was won by Salt Lake, 6 to 2.

Oakland halted the Indians in their pennant chase yesterday by taking both ends of a double bill at Oakland, 7-3 for the morning game, and 4-3 for the second.

Sacramento and the Seals divided honors yesterday, the first game going to the Seals, 6 to 2, and the second to the Solons, 5 to 2.

Managers to Hold Big Stag Affair Tonight

The biggest stag in the history of the Southern California Baseball Managers' association will be held tonight at the I. O. O. F. hall, 955 South Olive street. Bert Colima, Pacific coast middleweight champion, will head the boxing program. Fidel La Barba, amateur flyweight champion, and Jackie Fields, world's featherweight titleholder, will be on hand to tell the boys all about their ring experience in Paris.

Irene Jones and half a dozen other professional stars will do their stuff. Norman Hartford, former Hollywood High athlete, will lead the Hartford Quartet in several vocal numbers. K. N. Grier, big time monologist of the Blue Diamond Material company, is billed for a ten-minute sketch.

Other boxers carded for the show are Bernice Durate, Red Easton, Kid Chili, Bob Herman and Indian Jack Price. Sheriff Traeger, president of the Managers' association, will have as his guests District Attorney Asa Kaves and several other public officials. The affair will get under way promptly at 8:30 p. m., according to Secretary Frank Kerwin.

Colorado Gold Mining Prospects Are Better

CRIPPLE CREEK, Colo., Aug. 25.—There are more prospectors in this section today than at any time since 1914 and the output of producing mines is showing a steady increase. The Granite Gold Mining company has just uncovered the largest body of gold-bearing ore ever developed in Cripple Creek, and the Portland Gold Mining company is working double shift and producing 750 tons of ore a day.

TAGGING THE BASES

Dutch Leonard held the Yankees to six hits while the Tigers slugged their way to a 7 to 2 victory. Ruth, Cobb and Manush got homers. It was Babe's 39th.

Washington made it three straight from the White Sox 11 to 4 and advanced to within one point on the lead.

The Cubs took a close one from the Giants, 2 to 1. Aldridge beat McQuillen in a pitchers' battle. The Giants got only three hits.

The Cardinals went on a rampage and trimmed the Dodgers' 7 to 6 and 17 to 0.

Cincinnati swapped the Braves in both ends of a doubleheader, 9 to 0 and 8 to 2. Pedro Dibut, Cuban pitcher, making his debut for the Reds, held the Braves to four hits in the second game.

The Indians beat the Browns, 8 to 1, in a flying visit home.

WHITE SOX DROP RAGGED GAME, 7-2

Reiger and Sullivan Not in Lineup Sunday; Errors Decide Contest

The Glendale White Sox dropped a ragged game to Jasper's Colored All-Stars yesterday at Goodyear park. Sixty-fourth and Central, when costly errors by the pale hose wearers resulted in a score of 7 to 2. Seven errors were charged against the White Sox crew, Sawyer getting three, Hiri-goyen two and Young and Shellen-back one each.

Reiger was not in the lineup, neither was Sullivan. In their places were Harry Johnson and Watson. Johnson hurled a fair game but was not given proper support. He was touched for eight hits, struck out six and walked one. Evans, hurling for the All-Stars, allowed seven hits, struck out four and walked eight.

Fagin and Wilson were the feature hitters of the All-Stars, Fagin getting three hits, while Wilson got a couple, one of them being a triple.

The White Sox will meet the All-Stars at the San Fernando park on Labor day. It was announced yesterday by Frank Kerwin, owner of the local club.

Workmen's Insurance Rates to Be Raised

MINNEAPOLIS, Aug. 25.—Minnesota workmen's compensation insurance rates are to be increased 10 to 15 per cent in September, the state board indicates. The loss ratio has increased from 44 to 75 per cent since 1918. Total premiums for the last five years \$16,139,534 and losses totaled \$9,503,393.

Raise Price of Bread As Wheat Costs Jump

SAN DIEGO, Aug. 25.—The price of bread will advance 1c and 2c per loaf retail, starting today, according to an announcement from local bakeries. Twenty-four ounce loaves that have been retailing for 10c and 11c will advance to 12c per loaf. Recent advances in the price of flour and other ingredients was given as the cause of the raise in price.

BASEBALL QUESTION BOX

If you have some question to ask about baseball—If you want a rule interpreted—If you want to know anything about a player—Write John B. Foster, the man who helped make the rules under which the game is played today. If you want a personal reply, enclose a stamped, self-addressed, envelope. Otherwise your question will be answered in this column.

Address: John B. Foster, Sports Editor, Evening News, 811 World Building, New York.

BASEBALL QUESTION BOX—Overnight, 1924, by Evening News.

QUESTION—There is a runner on first base and the pitcher has his foot in the box. Instead of delivering the ball all the way to the catcher he throws it a few feet. Naturally the runner goes forward to second, but in the meantime the catcher gets the ball and throws the runner out at second. Is this a balk against the pitcher?

ANSWER—It is a balk against the pitcher. No intent to throw the ball to the batter and a motion to deceive the runner are quite enough for a balk.

QUESTION—Is Walter Johnson the best pitcher in the world, and if not, who is, and who is the best catcher?

ANSWER—If Johnson is not the best, he is not far away, and "best" players are always matters of personal opinion. There are several catchers right now who are worthy of consideration.

QUESTION—Runner is on second base. Shortstop is playing a little behind the base line. A hit and run play is supposed. Batter hits to shortstop and the latter runs forward. Runner and shortstop collide. Who is at fault, and how is the play ruled?

ANSWER—The runner should avoid the fielder. If he interferes with him he may be called out. If he is called out for interference no bases can be run.

QUESTION—Name the crippled Reds at present.

ANSWER—Pretty much any one of them. There is no necessity for being partial about it.

Prince Olaf of Norway, nephew of the king, has recently come of age and is noted for his ability as a ski-jumper.

OAKLAND'S TESTS ATTRACT CROWDS

Sealed Order Week on Cars Is Unique Feature in Motor Industry

At the conclusion on Saturday night of Oakland Sealed Order Week—a unique plan inaugurated by the Oakland factory to acquaint the public with the various advanced features of the Oakland car—more local people possessed a practical knowledge of the car than probably at any other time in its history.

What Oakland would do each day aroused considerable curiosity, and the crowds that gathered at John Neuschaefer's, local Oakland dealer, 420 East Colorado street, were treated to a series of spectacular tests.

Tests for Brakes—Probably the most dramatic were the mechanical four-wheel brake tests on Monday and the Duco finish tests on Wednesday—because these features were more susceptible of proof. The Duco finish was, if anything, even more spectacular—lime, cement, boiling water, hot tar, burning paper, ammonia and other destructive compounds being placed on the body to prove the imperviousness of this new finish against even the most destructive elements.

Operation and control features were stressed in demonstrations Tuesday, safety features Thursday; advanced features Friday; while Saturday the cars were turned over to those wishing to drive them, in order that they might experience first-hand just how the car operates.

Plan Pullman 'City' For Legion Members

ST. PAUL, Aug. 25.—Arrangements for a "city" of Pullman sleeping cars to house members of the American Legion when they attend their annual convention here in September are now under way at the Union Station Yards. Ten miles of storage tracks with light, water and sanitary facilities are being provided. Sidings of railroads near the downtown section will be equipped similarly.

BRACELETS RETURN

PARIS, Aug. 25.—The multiplicity of bracelets which became less fashionable for a time, is back again, more multiple than ever. If one would be very chic today one covers the entire forearm from wrist to elbow with as varied an assortment as possible.

HARRIS AND HULL LOSE TO STUCCO

Building League Leaders in Second Defeat, 17 to 8; LaBelle Hit Hard

Harris & Hull, leaders in the Builders' Material league, went down to defeat for the second time since the schedule started, when the California Stucco team outbait them Saturday at the White Sox park on San Fernando road. The score was 17 to 8.

La Belle, on the mound for the local team, was touched for nineteen hits, while Walters of the invaders held the league leaders to eleven hits. Five errors by H. & H. players proved costly.

La Belle walked six and struck out six, while Walters walked three and struck out eight.

NO EXTRA COST For Wheels—

If You Buy a Set of
Firestone
FULL-SIZE BALLOONS

WITH every set of Firestone Balloon Gum-Dipped Cord Tires, we give you a complete set of Firestone Changeover Wheels. A liberal allowance will be made for your old tires.

This is a special inducement for immediately equipping your car with Balloon Gum-Dipped Cords and getting the added comfort, safety and economy these wonderful tires give.

You will get the advantage of increased tire mileage—decreased gasoline consumption—and lower car upkeep, proved by 5,300,000 miles of carefully checked service tests and the actual experience of over 100,000 car owners.

Balloon Gum-Dipped Cords allow you to drive at higher speeds over the rough stretches, without danger or discomfort. They expand the usefulness of your car day by day and add many months to its life.

Motorists everywhere are getting Balloons NOW—as a short cut to lower car operation and increased service. Bring in your car today—we will make changeover promptly at surprisingly low cost.

**Children Unveil Bust
Of Lincoln at School**

ANAHEIM, Aug. 25.—Patrons of the Lincoln school gathered Thursday afternoon to attend the unveiling of a bust of the great Emancipator in the main corridor of the school building. M. Mako, an Argentine sculptor, now a resident of Glendale, was the principal speaker. Mr. Mako is noted as a linguist as well as an artist.

FLOUR IS STEADY

KANSAS CITY, Aug. 25.—The flour trade is handling a fair volume of business, although the market is not so active as a week ago. Sales are mostly for prompt or early delivery, as buyers are too fearful on wheat to make large contracts for future delivery except on a discount basis.

**Man Runs Amuck With
Gun and Kills Woman**

BISBEE, Ariz., Aug. 25.—Matilde Martinez was shot and instantly killed here today and Julia Barola received a wound in the neck which may prove fatal, when a man ran amuck with a gun. Narcisco Nieto, said to have done the shooting, was arrested and is held for murder.

**Epidemic of Cholera
Sweeps Over Bengal**

LONDON, Aug. 25.—A devastating wave of cholera, causing thousands of deaths, is sweeping over the Bihar district of "Veng" India, according to an Allahabad dispatch to the Times today. In the past week more than 3,300 deaths were reported.

PENDROY'S
BRAND AT HARVARD

Announcing for Tuesday Afternoon

August 26th from 2:30 to 4:30 o'Clock

**A Pre-View of New
Fall Millinery**

These beautiful hats of exclusive, individual and distinctive models are the cream of the season's styles. Will be shown in our Millinery Section on living models.

Thus giving our patrons an opportunity to see just how they will look when worn by you on the street, at the theatre or for sports wear.

The desirability of Pendroy's Millinery is too well and favorably known to need any comment whatever, but this season we are surpassing all previous records for beauty of style and exclusiveness of patterns.

Remember, the Preview on Living Models, tomorrow afternoon, Tuesday, August 26, from 2:30 to 4:30.

**Think Before
You Vote**

Before you cast your ballot tomorrow, give a little thought to whom you cast it for. The property owners and the taxpayers should vote for men who are interested in their welfare and who endeavor to serve the public.

During my experience in Glendale for the past three years, I have had occasion to call upon the county for assistance in repairing San Fernando Boulevard and San Fernando Road within and outside the City of Glendale, making it possible for the public to come through our city. During this time, I have had to call upon the Supervisor of this district, Henry W. Wright, who has always been ready to listen to the people of this district and to give us fair consideration. That is why I am interested in his election.

Think, before you cast your ballot, why some outside interests are working and what they are working for.

I am asking the people on San Fernando Road to consider what Supervisor Wright has done for us when we could get no help from other sources. If you do, you will cast your ballot for him.

The only interest that I have in Supervisor Wright is that I have found him serving the people and the county to the best of his ability and as well as any other man could possibly serve.

**NOVICE OR EXPERT FOR
DISTRICT ATTORNEY---WHICH?
Keyes and 20 Years' Experience**

**Or Sheldon's Youth
and Lack of Training?**

L. G. SCOVERN

RALPH W. BROWN

J. J. SCHULTE

J. E. PHILLIPS

C. D. THOM

DR. C. STUART STEELMAN

J. A. MENARD

Do the people of Los Angeles care to elect a man district attorney who has:
Never drawn an indictment?
Never prosecuted a case in superior court?
Who failed three times on examinations for the bar before slipping through?
This will be the situation which will confront the taxpayers if a count of the ballots next Tuesday develops that Caryl M. Sheldon, youthful and inexperienced police judge, defeats Asa Keyes, veteran prosecutor for the last 20 years.
Throughout the city yesterday the question was being asked among persons seriously interested in the welfare of the community:
"If you were administrative head of Los Angeles county as a private corporation with its present more than five billion dollars valuation, would you dismiss your attorney who had satisfactorily protected your interests for 20 years while your organization had grown from 1-100 that valuation, and in his place appoint a youth who has never prosecuted a case before the superior court, never conducted a jury trial, and who was only admitted to the practice of law two years ago?"
The question was invariably answered "no" by voters impressed with the seriousness of the task presented to a district attorney who must face the third largest volume of public legal business in the United States.
They were indignant that any citizens should lend their aid to

a plan to turn over to a novice the second most important office in the state.
RISK SHUNNED
None cared to risk the protection and safety of their wives, children and property on a scheme which would play the city into the hands of the criminal element.
None cared to see the district attorney's office used as a training school for inexperienced and incompetent attorneys.
The invariable reaction to speculation on the possibility of Sheldon's election was to bring another voluntary pledge of fullest support to Asa Keyes.
Records show Sheldon was graduated from college in 1920 and failed three times on examination for admission to the bar before he was admitted to practice March 13, 1922. A few weeks later he announced his candidacy for police court judge and on August 29 was elected at the tail-end of the list by a narrow margin.
DRY LAW CASES
Soon after he assumed his post an order was issued by the then presiding police court judge sending all cases involving violation of prohibition laws to Sheldon's court.
For more than a year he has been assigned to department five at University station, where he has heard practically nothing but Wright act cases.
By what possible misguided indulgence can the people of Los Angeles even consider bringing calamity on the city by placing such a candidate in office on such a record?
